Dear Pine River Families,

On **Wednesday, April 22nd** we will be handing out our instructional packets as part of our Continuity of Learning Plan.

- **Pick up times for all buildings will be 9:00-11:00am and 6:00-8:00pm.**
- Please stay in your vehicle at each location and we will bring it to you.
- K-3 packets can be picked up at the Elementary School.
  - *Pull through the drop off lane and we will bring your packet to your car. K-3 students will also receive a bag with their belongings in it.*
- 4-7 packets can be picked up at the Middle School.
  - *Pull through the bus drop off lane on the North side and to the front of the MS main office. We will bring your materials & personal belongings to you. If you have children in 8th-11th grade, please pick-up these items FIRST to help with traffic flow.*
- 8-11 packets can be picked up in the pick-up lanes in the back of the MS/HS.
  - *Pull through the back pick-up lane. We will bring your instructional materials to you. If you have children in 4th-7th grades, please pick-up these items after the 8th-11th grade to help with traffic flow.*
  - *Grades 8th-11th's personal belongings will be available for pick-up on May 11th, which will also be the second distribution of materials for these grades, which are the only grades with a second distribution.*
  - *Seniors and their families will continue to be contacted by the high school office.*
- Our Pine River District Stay-at-Home Learning Website will also go live on Wednesday, April 22nd.
  - *This site was created to make on-line, enrichment resources condensed into one, easily accessible space for your family. We will post this link on our PR website, app, and social media.*

All families are encouraged to pick-up learning materials on **Wednesday, April 22nd**. However, if you are unable, we will be making other arrangements for a later date.

Thank you for your continued patience throughout this process.

Stay Safe, Stay Healthy, Stay Connected,

*Your Pine River Area Principals*
