

**2019-2020 Paris Union School District No. 95 Choice Board for E-Learning Days**

- Students should choose at least **one** activity from each subject area column (Math, Reading, Writing, Science/Social and Specials)
- Place a check on the activities completed and have caregiver/parent sign the bottom of the form.
- Students please return this sheet to your teacher **within 3 days** upon your return to school.

**5th Grade**

<b>Math</b>	<b>Reading</b>	<b>Writing</b>	<b>Science / Social</b>	<b>Specials</b>
Pick two rooms in your home. Measure them to find the area and perimeter. If you don't have a tape measure, ruler, or measuring stick, it is no problem! Pick an item (shoe) and measure the length/width of the room using a shoe as your unit! Compare the areas and perimeters once finished.	Log-in and practice on I-Ready or IXL reading skills for 20 minutes.	Celebrate "Earth Day" by walking outside one or multiple days this week and list the different things you saw in nature.	Make your own playdough by mixing water and flour. Experiment by adding different amounts of ingredients and colored food dyes.	<b>PE</b> 10 Jumping Jacks 10 Arm Circles 10 Toe Touches 10 Squats 10 Calf Raises 10 Push-ups 10 Sit-ups 10 Mountain Climbers 10 High Jumps Run in place 30 seconds
Work in I-Ready Math for 30 minutes.	Read outside for 20 minutes.	Write a paragraph (at least 5 sentences) about your favorite season and why it is your favorite.	Practice your states & capitals using your flashcards, IXL, or another online site.	<b>Art</b> Design your own coloring page! Take a blank piece of paper. Draw pictures or words and outline them in black marker. Color it yourself or give it to someone else!
★ Reflex Math until you get to the green light ★ Work on previous math skills in IXL	Read to a family member or friend over the phone or video chat.	Make up your own holiday and write about it! Tell what day(s) it is on, why it is special, and what activities happen on the day.	Make paper airplanes with a sibling or adult. Have a contest to see which paper airplanes fly the farthest.	<b>Music</b> Listen to a song that you have never heard before and draw a picture of how it makes you feel.
Make a poster showing how to add and subtract fractions.	Read a book in a different voice or accent.	Write a journal entry of everything you did during the day.	Set the table for a meal and help clean up afterwards.	<b>Media</b> Read a book of your choice just for fun!

**5th Grade**

<b>Math</b>	<b>Reading</b>	<b>Writing</b>	<b>Science / Social</b>	<b>Specials</b>
Create a 5 question quiz for a math topic you learned this year (multiplying/dividing large numbers, fractions, polygons, etc.). Make sure you provide an answer key!	Log-in and practice on I-Ready or IXL reading skills for 30 minutes.	Finish this story prompt:  As I was walking home I heard a weird noise. I was nervous and peeked over my shoulder. Nothing was there. I heard it again and then saw something. "Oh," I said, "just a dog." "That's what you think," the dog replied.	Make 3 boats - one out of paper, one out of aluminum foil, and one out of your choice. See which floats better in water. Then, try adding weights (coins, legos, etc.). How much can the boats hold?	<b>PE</b> Take a walk or ride a bike.
Work in I-Ready Math for 30 minutes.	Read in a silly place, like under a table or in a closet. Write down the place you chose here:	Write a paragraph (at least 5 sentences) about what you miss most about school.	Ask an adult in your family what the most important world event they remember from growing up.	<b>Art</b> Make a nature collage! Gather items from nature (flowers, leaves, grass, sticks, etc.) and create a collage with them. Get creative with your design!
★ Reflex Math until you get to the green light ★ Work on previous math skills in IXL	Read an AR book and pass the AR test.	Pretend you are transported to a different time. Write about your adventure in this different time period.	Go out at night with an adult and watch the stars. Do you see any constellations or satellites? What is the current moon phase?	<b>Music</b> Practice your own instrument or make your own from household items (milk jug, can, broom, etc.) and create your own song!
Play Monopoly or another math game (board game, card game, or online) or create your own!	Turn on subtitles (closed captioning) on your tv. "Read" your favorite show.	Write a letter to 4th graders teaching them how to be successful in 5th grade.	Take a virtual tour of a museum or historical place.	<b>Your Choice</b> Choose your own educational activity! Activity: _____ _____
