As you turn through these pages, we hope you will recall the many smiles, the sorrow, the hard work, and the dreams you had during the year. It has been fun trying to preserve for you through pictures these wonderful memories.

Much thanks goes to Mrs. Palmer for helping us compile this annual.

We, the Wildcat staff, hope we have recorded the past year's events well enough to keep them alive in your mind in the years to come.

Superintendent’s Message

The most important aspect of your education should be that you become a better citizen. If you become a better citizen, then America will be stronger for your efforts.

Use your time in school wisely so that you may contribute to America’s greatness your just share. The American Way of Life depends on you and what you are willing to do with your time in school.

Principal’s Message

It is my hope and desire that every child be educated to the ultimate of his or her ability. Your faculty has attempted to assist each student in becoming a well-rounded, wholesome personality – capable of assuming a responsible role in our democracy.

I sincerely hope that each one of you will continue to pursue your education with a desire that will not be forsaken.

Let each strive to have the best homes, best schools, and best churches in the world.
