1963 WILDCAT

Boise City High School

Boise City, Oklahoma
Our high school days are filled with cherished memories. As you look through these pages you may recall many smiles, sorrows and dreams of the 1962-1963 school year.

We, the Wildcat Staff, hope that this yearbook will bring back many memories of the past year's events and keep them alive for you, for many years to come.

Dandie Fincher
Editor-in-Chief
The Annual Staff proudly dedicates our "'63 WILDCAT" to our sponsor, Mrs. Palmer.

We would like to thank you for your sincere guidance and your efforts for the past three years.

We dedicate this yearbook to you in the hope that throughout the years to come you will remember us with fond memories.
Mrs. Palmer, Sponsor, Sandie Fincher, Editor.

ADMINISTRATION
I am indeed grateful for the happiness that has been afforded me through my association with such a fine student body and staff.

To those of you who are graduating, I hope that each of you are able to look backward with particular fondness on your time spent here. I also hope that you may look forward with eagerness to a life to which you can contribute more fully by having acquired knowledges, skills, attitudes, and understandings that will serve as guidelines during the time you are either on the crest or in the trough of the sea of life.

May those of you who are still in high school taste the sweetness derived from conquering mental challenges, drink deeply of the "milk of human kindness," and feel the cleansing effects of acting with decency and integrity. I should hope that these virtues be instilled within your hearts and minds with a permanence equal to that of a masterful learning of the various subject matter areas.

As we work together in the days that lie ahead, let us ask only that our rewards be commensurate to our efforts.

Morris A. Foster
May I commend all students and teachers upon having completed another successful school year. We have accomplished many of our educational goals and hope to accomplish many more in the future.

To the graduates, I urge each of you to pursue your desires to your fullest satisfaction. Through sound determination and faith, great things can be achieved. Not only your future, but the future of this great nation may depend upon your decisions.

Receiving Diplomas
I wish to thank the teachers for their cooperation in making this past year successful.

We have succeeded in reaching many of our aims and keeping the standard of our school on a high level.

May each of the students continue with a high determination to attain their education.
