EXPANDING OUR HORIZONS

Desiderata

Go placidly amid the noise and haste,
and remember what peace there may be in silence.
As far as possible without surrender
be on good terms with all persons.
Speak your truth quietly and clearly;
and listen to others, even the dull and ignorant;
they too have their story.
Avoid loud and aggressive persons,
they are vexations to the spirit.
If you compare yourself with others,
you may become vain and bitter; for always
there will be greater and lesser persons than yourself.
Enjoy your achievements as well as your plans.
Keep interested in your own career, however humble;
it is a real possession in the changing fortunes of time.
Exercise caution in your business affairs;
for the world is full of trickery.
But let this not blind you to what virtue there is;
many persons strive for high ideals;
and everywhere life is full of heroism.
Be yourself. Especially, do not feign affection.
Neither be cynical about love;
for in the face of all aridity and disenchantment
it is perennial as the grass.
Take kindly the counsel of the years,
gracefully surrendering the things of youth.
Nurture strength of spirit to shield you in sudden misfortune.
But do not distress yourself with imaginings.
Many fears are born of fatigue and loneliness.
Beyond a wholesome discipline, be gentle with yourself.
You are a child of the universe,
no less than the trees and the stars:
you have a right to be here.
And whether or not it is clear to you,
no doubt the universe is unfolding as it should.
Therefore, be at peace with God,
whatever you conceive Him to be,
and whatever your labors and aspirations,
in the noisy confusion of life keep peace with your soul.
With all its sham, drudgery and broken dreams,
it is still a beautiful world.
Be careful. Strive to be happy.

Daily Thoughts for 
Daily Needs
If we put our problems in God's hand,  
There is nothing we need understand-  
It is enough to just believe  
That what we need we will receive.

Life is a mixture of sunshine and rain,  
Teardrops and laughter, pleasure and pain—  
We can't have all bright days, but it's certainly true  
There was never a cloud that  
The Sun Didn't Shine Through!

The more you love, the more you'll find  
That life is good and friends are kind ...  
For only What We Give Away  
Enriches Us from Day to Day.

Often we stand at life's crossroads  
And view what we think is the end,  
But God has a much bigger vision  
And HE tells us it's "only a bend."

Everything is by comparison,  
Both the BITTER and the SWEET,  
And it takes a bit of both of them  
To make our life complete.

Oh, make us more aware, dear God,  
Of little daily graces  
That come to us with "sweet surprise"  
From never-dreamed-of places!

You can't pluck a rose all fragrant with dew  
Without part of the fragrance remaining on you!

God never sends the WINTER  
without the JOY of SPRING ...  
And though today your heart may "cry"-  
tomorrow it will "SING!!"

“Unless we learn from the past, we are doomed to make like mistakes in the future,” a philosopher once said. So don’t blame your failures on the world, or luck; don’t say “they” are against you. Instead set your goal, work toward it, make your mistakes, and learn from them. Success isn’t being 100 per cent right. Success is only a favorable balance between achievement and failure.

The years at BCHS have gone by much too fast. The memories will always be treasured deeply in the hearts of the 1982 graduating class.
I would like to thank the hard effort that this annual staff has put into this yearbook.
A big thanks goes to our sponsor, Mrs. Pate. She has been a big help in getting this yearbook done.
Also, a special thanks goes to Gordon Folkers for all his time he has spent taking pictures for us when we needed him.
I hope you enjoy looking through the pages of this yearbook and I hope it has captured moments you will always remember.

A BRAND NEW DAY
There’s a brand new day before me,
And a chance to start anew.
And shiny hours waiting,
With much for me to do.
There’s a blue sky up above me,
And sunlight through the trees.
Nobody should grow weary,
With gifts as great as these.

There’s a brand new day before me,
And I treasure every minute.
My eager arms reach out to hold
Each quiet joy within it.
I feel my steps grow lighter,
And all the worries fade.
As once again God lets me share
... This day He has made.
