We're leaving now,
It's in our eyes,
There's no disguising it,
Really comes as no surprise,
To find that we've planned it all along . . .

Marcelo Sampaio, our exchange student from Brazil, has been with us now for about four months. Marcelo is the 18 year old son of Jarila and Rubens Sampaio. He has a 10 year old sister named Christina. Marcelo is from Bauru, Brazil, a city of about 200,000. Marcelo says the main food in Brazil is rice and beans. In Bauru, school is from 7:00 a.m. to 12:30, 6 days a week. They have Kindergarten through 8th and only three years of High School. Everyone takes the same classes and students study many things about the world, especially things about the United States. Also the academic level in the United States is much lower. To enter college in Brazil you must pass a certain test. Marcelo’s main interests are in medicine and administration. Most teenagers in Brazil don’t work. If they do work, they work during the day and go to school at night. Soccer and basketball are two of Brazil’s main sports. Marcelo states that one reason he wanted to live in the United States was to learn English. He was also familiar with American Music and Movies. Yes --- It has truly been a great experience having Marcelo here with us!!!

George was a special guy and a friend to all. He was always smiling and had a sense of humor and a super personality that only few people have. George accepted people as they were because he simply took things just the way they were. He was our football manager last year and was always involved with athletics the preceding years. George was very successful in everything he set out to do and to prove his achievements are all of his friends in the Boise City Schools. George will always be deeply missed by his classmates, friends, and family, but he will never be forgotten.

Student Council is the governing branch of the student body. The primary function of STUCO is to teach the ways of democracy to our citizens by involving them in the life of the school. STUCO is made up of officers and representatives. The officers are elected by the student body and representatives are elected from each class and organization.

STUCO sponsors many activities throughout the year. Some of this year’s activities were: Welcome back to school, Concessions for football and track, Homecoming mum sales, Hanging of the Green, Mr. and Miss BCHS, Fun Festival, Student body elections, and Balloon launch for Oklahoma’s 75th anniversary.

FFA is a national organization of students enrolled in vocational agriculture. Organized in 1928, FFA is an integral part of the curriculum of vocational agriculture departments in the public schools. All students in these programs are to receive instruction in personal leadership, growth and development, which can best be achieved through FFA.

Members of the Boise City Chapter of the Future Farmers of America participate voluntarily in local, state, and national contests and shows. Members receive instructions on feeding, fitting, showing, and selecting show animals. Judging contests help to improve the skills of animal selection, as members of different chapters. Members also develop leadership skills through participating in speech contests. Leadership camps and conference assist in the development of leadership.

The Boise City Chapter travels to at least four livestock shows annually. Shows traveled to this year included: National Western Stock Show, held in Denver, CO; Cimarron County Jr. Fat Stock Show, held in Boise City, OK; Northwest District Livestock Show, held in Woodward, OK; and Oklahoma State Livestock Show, held in Oklahoma City, OK. At these livestock shows, members exhibit their animals. The animals are owned and cared for by the members.

FFA stresses the importance of hands-on-experience. Although some classwork is done, the members work to maintain the chapter farm, as well as their own occupational projects. FFA members believe in leadership, citizenship, and patriotism. They believe in free enterprise, in freedom under the law, and in making their homes, schools, and communities a better place in which to live and work.

The Boise City Rodeo Club

The 1982-83 Boise City Rodeo Club was made up of five members. The members this year were: President, Clifton Vincent; Vice President, Jim Tevebaugh; Reporter, Rusty Summers; Secretary and Treasurer, Melody White; Royce White, member; and Sponsor, Jim Spake.

The Rodeo Club had several fund raising ideas this year. The club raffled off a pair of spurs, held a team roping, and operated a concession stand. The money raised was used to pay for the expenses to the National Western Stock Show Rodeo in January, held in Denver, CO.

Some of the main rodeos that the rodeo club participated in were rodeos in: Stinnett, TX; Claud, TX; Happy, TX; and Hayden, NM. Placings varied from place to place. Contestant prizes included winnings of money, belt buckles, ropes, and saddles.

The 1982-83 Wildcat Band was an active group this year!

The marching band provided half-time entertainment at all home football games and travelled to almost all away games to support the team. They participated in the Regional Marching Contest in Alva, and also in the Homecoming parade at Panhandle State University, where they took top honors by placing 1st!

Pep Band kept busy during basketball season by playing at the home games and the Concert Band ended its season with a trip to Amarillo for the Greater Southwest Music Festival.

This year the Wildcat Band consisted of 43 members under the direction of Mr. John Lee.

The 1983 graduates who played football for the Wildcats have enjoyed a great deal of success during their High School Career. They began very slowly as freshmen in the season of 1979 with 2-8 record. They began an upward climb in 1980 with a 4-6 season record and a big win over Clayton which broke a long dry spell. From then on, they were nothing but awesome!

The Wildcats finished the 1981 regular season with a perfect 10-0 record. They had big wins over Walsh, Colo. (ranked 3rd); Clayton, N.M.; Spearman, Texas; and Beaver, Okla. (6-0 before the Cats got to them). The playoffs started with a big win over Canton at home and ended the next week on the road with a loss to Hinton. The season ended with an 11-1 record the 1st undefeated (regular season) team at BCHS since 1948.

In 1982, things remained great! The Wildcats, once again, finished the regular season with an unblemished 9-0 record. The Wildcats had big wins against their rivals, Clayton, N.M. (ranked top 10); Stratford, Texas (2A District Champs); and Turpin, Okla. (State Semifinalists in Class B). The playoffs followed about the same route as the 1981 playoffs did. The Wildcats led the 41-6 thrashing of Laverne at home, and had a heartbreaking 8-0 defeat with Okeene, at Okeene. Okeene was the defending state champions and were ranked 3rd when they beat the Wildcats. Okeene, also made it to the state semi-finals before they were defeated.

The 1982-83 Lady Wildcat Basketball Season was one of excitement and disappointment. The Cats used press defense to win several early games this year. Although we were anything from being consistent, we had a fine year and it was a lot of fun. Balanced scoring also played an important part in our victories. Winning the District Tournament was our goal at the beginning of the season, and even though we had a few heartbreaks along the way, we reached our goal.

Those Cats, they’re my kind of gals!
Coach Webb
Tina Gardner: 5'7" Forward, Cimarron Classic All-Tourn. Team, All-Conference Alternate Forward, Average: 10 points, 8 assists, 2-year starter, 3-year letterman.

Kim McDaniel: 5'9" Guard, Cimarron Classic All-Tourn. Team, All-Conference Guard, Average: 7 rebounds, 3 steals, 3 blocked shots, 2-year starter, 2-year letterman.

Debbie Stutsman: 5'7" Guard, 2-year letterman.

Tanya Thompson: 5'8" Forward, Cimarron Classic All-Tourn. Team, All-Conference Forward, Average: 22 points, 5 assists, 2-year starter, 4-year letterman.

From L to R: Lynn Davis, Tim Nichols, Todd Robertson, Jeff Tapp, Chris Mathis, Thad Thompson, Rod Hammock, John Barnes, Danny Harris, Mike James, and Ron Stutsman.
Senior Basketball Players

The Wildcats 1982-83 Basketball season got off to a slow start, winning only two, while losing eight. The two wins came in the Wildcats own Cimarron Classic, which brought the Wildcats a second place finish, losing to Felt 51-45 in the finals.

The second half of the season was much more successful, as the Wildcats won six while losing four, with those four losses being by a combined total of only eighteen points. The Wildcats placed second in the Texhoma Invitational Tournament, losing to Hooker in the finals 48-41, after victories over Goodwell and Texhoma.

Many factors brought about the improvement of the Wildcats, the steady play of our two seniors, Chris French and Tim Baird, the improvement of the younger players, and the timely play of individuals coming off the bench in important situations.

The Wildcats shot 34% from the field and 52% from the line, and averaged 38 rebounds per game. They scored an average 52.9 points per game, while allowing their opponents an average of 51.6 points per game.

The Wildcat J.V. Basketball Team ended the year with a 6-4 record. The season was highlighted by a 46-43 win over Felt.

Chris French was the floor leader for the 1982-83 Wildcats. He handled the ball more than any player on the team, with a minimum of turn-overs. Chris was instrumental in leading the break and getting the team into its offense. Chris averaged 8.4 points per game, and 5.6 rebounds per game.

Tim Baird was the quiet leader of the 1982-83 Wildcats. Tim was a leader by example. He always gave 110% in practice and games. Tim was our leading and most consistent scorer, averaging 10.6 points per game. Tim also lead in rebounds with 8.5 rebounds per game.

The Jr. High Girls had a really good year. They were lead by three forwards: Gayla Imler, Leah Gaylor, and Sherri Maltbie. Gayla took high point honors in tone game scoring 24 points to help defeat Guymon.

On the guard end, the Jr. High had excellent playmanship of four guards. Mindy Zollinger, Heidi Kirsch, and Sheli Holbert were the starters. Then, LuAnn Walker came in and helped a lot off of the bench.

The girls competed in two tournaments. They placed first in the Felt Invitational and fourth in the Texhoma Invitational. Also at the Felt Tournament, Gayla Imler proved to be Free Throw Champ! The girls highlighted their season with victories over Texhoma and Guymon. They ended a successful season with final marks of seven wins and six losses.

We’re leaving now,
It’s in our eyes,
There’s no disguising it,
Really comes as no surprise,
To find that we’ve planned it all along ...
This last year has gone by so fast and so many things have happened. Remember the Football Playoffs, Track meets, District Playoffs in Basketball, Band and Choir Contest, Christmas dances, Fun Festival, Homecoming, those wild FHA and FFA trips, and finally the end of the year banquets and the prom . . .

All of you that participated in these events are a part of BCHS and I hope we have captured some of the fun times and good memories in the 1982-83 annual.

Tanya Thompson

Hey Baby,

This year has proved to be quite an experience. At first, we had problems meeting deadlines, developing pictures, and getting the pages put together. But we finally got the hang of it, and even tried some new things.

When we get old, I hope we can look at this annual and remember the massive amounts of fun we had in High School.
