Annual and Newspaper Class is made up of students interested in the field of journalism and publishing. The annual staff puts the entire yearbook together for the Boise City Schools each year. These students have many responsibilities such as selling ads, taking pictures, typing captions, and drawing lay-outs. The newspaper staff works hard throughout the year putting together a newspaper for every month plus some special editions.

The students in annual and newspaper class are chosen by application and they must have at least a grade average of "88-100" in English and an "A" average in typing. This class is made up of extraordinary people because they must work as a team to accomplish their goals.

Organizations

Nineteen Eighty Four
The Boise City High School Rodeo Club is an organization available to students interested in the sport of rodeo. Students have the opportunity to join the Tri-State Rodeo Association and compete in rodeos in the tri-state area and to earn top honors in events such as bull riding, bronc riding, calf roping, and barrel racing. Members assist in local rodeo presentations and earn money to attend such attractions as the National Western Rodeo in Denver.

The Boise City High School Chapter of Future Homemakers of America is an affiliate of the Oklahoma Association and National Association of Future Homemakers of America, Incorporated. The goal of the organization is “to help youth assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation and community involvement.” The motto of the organization is “Toward New Horizons,” the colors are Red and White and the Red Rose is the flower.

The organization is for students who are enrolled in Home Economics or have completed at least one year of Home Economics. The members attend monthly meetings, participate in activities and work on projects such as A-OK Cook-off, Secret Grandmothers, etc. The major goal of each member is to work diligently enough to earn a trip to the State FHA Rally held in Oklahoma in the Spring.

Motto: Learning to do
Doing to learn
Living to serve.

The Boise City FFA is an organization composed of students enrolled in Vocational Agriculture. Through VO-AG and the FFA, members learn responsibility, leadership, citizenship, and cooperation. Through the Supervised Occupational Experience Program, projects such as livestock, crops, or mechanics are used to help the students learn responsibility and cooperation. Members also practice leadership by participating in chapter meetings and speech contests.

This past year members have participated in livestock shows such as the Texas and Cimarron County Fairs, National Western Junior Livestock Show in Denver, and county, district, and state fattock shows in the spring. The students have attended speech contests at the local, P.I., district, and state levels. FFA members have also been active in numerous livestock, crops, and range judging contests this year. Also, several students have attended leadership conferences where they learned to become better citizens and leaders. Vocational Agriculture and the FFA give students an opportunity to meet people from different walks of life, while at the same time they learn more about Agriculture Production.

Athletics

Nineteen Eighty Four
Football for the Wildcats in 1983 was like the rollercoaster at Disneyland. Up one week, down the next. In fact, after posting an opening date win against Springfield, the Cats alternated winning and losing every single week throughout the season. They finished the '83 season with a playoff loss to Canton, and a record of 5-5. (5-4 regular season; 0-1 in the playoffs)

Although the Wildcats had losses to Clayton, Stratford, Turpin, and Hooker, the team still won when they had to and came away with their third consecutive District title. The seniors of '84 lost only one district title in their four year career, that being their freshman year. Considering the graduation losses of 1983, injuries during the season, and this being a rebuilding year, the Cats once again rose to the occasion and showed why they're considered the "team to beat" in District 1-A.

The 1983-84 Lady Wildcat Basketball season was full of anticipation, excitement and disappointment. The 82-83 graduation dipped heavily into the Lady Cats which were a District Championship team. Balancing between inconsistency and injury, the Cats walked a tight rope all season. Eight different forwards started at various times with five guards participating in starting action throughout the season. Several times the rope could have broke or we could have tripped and fell, but we didn’t. The Cats only lose one senior to graduation this year and even through the heartbreaks, we’ve learned what it takes. Like Edgar Allan Poe’s story “The Raven” inside our cry is “Nevermore,” “Nevermore.”

Those Cats are still my kind of gals!

Coach Webb
Bonnie Imler — Guard — 4 years, 4 year letterman, basketball and track, Most Valuable Player Track 1981, Fighting Wildcat Award 1982, State track meet 4 years.

Bonnie started in basketball this year. She seemed to attack basketball with the same drive she had shown in track in prior years, a hard worker at everything she does — Miss Consistent, she will succeed in my book.

Coach Webb

Melody White — Manager — 3 years, basketball 1 year, track 2 years, 4 year letterman.

Melody not only had the knack for keeping me in line and organized, she always seemed to have that great dry humor to keep each day in perspective. Teamed with great common sense, concern, and individual insight, I wish we all had. — Unselfish. Will miss you Mo.

Coach Webb
Varsity Basketball

Back Row (L to R): Coach Jackson, Chris Mathis, Jeff Young, Brian Stalder, Mark Wingert, Wes Hughes, and Coach Wardlaw. Front Row: Todd Robertson, Greg Mills, Todd Baird, Jesse Gonzales, and David Mitchell (Manager).

Jr. Varsity Basketball

Back Row: Coach Jackson, Chuck Malone, Chris Mathis, Todd Robertson, Rod Hammack, and Coach Wardlaw. Front Row: Eric Boydston, Orlando Harris, Mike Mathis, Jeff Tapp, and Tim Nichols.
Jeff Young — Jeff was a fulltime starter for the 1983-84 Cats. Jeff averaged 8 points and 8 rebounds per game. Jeff wasn’t the flashy type of ballplayer he just played good, solid basketball. Jeff seemed to always make a big play when we needed it. Jeff will be missed greatly next year.

Jesse Gonzales — Although Jesse wasn’t a fulltime starter, he was a team leader. When Jesse came off the bench he made things happen. Jesse’s quickness and aggressiveness on defense made him one of the best defensive players in the conference. Jess will be missed greatly on the court as well as off. Being the team spokesman, he kept the Cats together.

The 1983-84 Wildcat basketball team had an outstanding year. Going 17-6 for the year, the Wildcats made it to the Regional Tournament losing in the second round to Cherokee. Their willingness to work hard and giving what it takes to be a winner brought my respect for this fine group of young men.

We are now looking forward to next year with four of the five starters being back. Hopefully we can achieve our goal and that is, to make the State Tournament!

Being co-editor and editor on the annual the last two years has been a very good experience for me. It has been interesting, and I have learned many new things. It has been quite a challenge, a lot of work, and a lot of fun.

I would like to thank my co-editors, Michael Lyons and Melody White, our advisor, Carla Wilson, and our photographers, Mike James and Cindy James. A lot of hard work and extra time was put into this year’s annual by all of us, and we are very proud of how it turned out.

We tried to make this year’s annual in the style professional journalists have set as standards for award winning annuals across the country. We tried new designs, new layouts, and we switched to a different publishing company.

At first we had trouble getting used to our new publishing company, and with all the new things we were trying. Our biggest problem, however, was trying to put together a book that would be pleasing to the parents, the faculty, and school board members, the businesses who helped us with their advertisements, and still have something the students would like. I hope we have succeeded in doing this.

I would like to thank all of my friends and teachers who have helped to make school so special for us all. I am really going to miss all my friends, the activities, the games, the trips, and the crazy things we used to do. I hope we can look back at this annual and remember all the good times.

So long, my friends
