The 1985-86 Annual is dedicated to Mrs. Reba Wheeler, in appreciation for her eighteen long years of hard work in Boise City Public Schools.

Mrs. Reba Wheeler has been a classroom teacher in Oklahoma for the past twenty-five years. She began her teaching career in the eastern part of the state, and gradually moved west. Reba’s first position was in McCurtain, Oklahoma, where she taught Business Education. Later, in 1947, she taught Business in Marlow High School. From 1948 until 1953, she taught Public School Art in John Marshall High School in Oklahoma City. In 1968, Mrs. Wheeler joined the staff in Boise City Junior High, where she remained until retiring this year.

Elementary Activities
The Jr. High Wildcats experienced a good season in 1985. The Wildcats finished the year with 6 wins and 3 losses. The Wildcats were Conference Champs, earning that right by defeating Hooker twice and Texhoma twice. “This is a hard-working, talented group of young men. I look forward to watching them grow.” Coach Wardlaw

Editors' Note

In the last year we have had many memorable moments, which each will remember. In this yearbook we have tried to recapture some of those moments, whether exciting, disappointing, or sentimental. Most events were carried out with "FRIENDS." Friends mean so much to each and everyone of us. Everyone is their happiest when they are among friends. I hope, as years pass by, you can look at the '86 Wildcat yearbook and the friends who made them memorable.

We would like to personally thank the following people for their help in making this yearbook possible:
Mr. and Mrs. Gordon Folkers and Mr. Jim Rosebery
for all of the many times they took pictures
Blank Studio for all the time they spent taking
pictures and developing our pictures so promptly
A special thanks to Danessa Harkins, Shelly Davis
and Shon Pilkington for all their help.
To Mrs. Carla Wilson, sponsor, we wish to thank you
for everything.

Even though this has been our first year in editing the yearbook, we feel we have succeeded in putting forth one of the best books yet.

Now to all of the classmates, teachers, and administration for putting up with us and all of the long days of picture taking — Thank you.

This book represents the emotions, the insights, the happenings, the relationships, and the knowledge of books and of yourself which are opened to each individual. We have tried to show the doors which have been opened in a high school year; yet remember that there are many more doors which must be opened in the corridors to your mind.

Often your tasks will be many.
And more than you think you can do . . .
Often the road will be rugged
And the hills will be rough too . . .
But always remember the hills ahead
Are never as steep as they seem.
And with faith in your heart start upward
And climb till you reach your dream.

For nothing in life that is worthy
Is ever too hard to achieve
If you have the courage to try it
And you have the faith to believe . . .

For faith is a force that is greater
Than knowledge or power or skill
And many defeats turn to triumph
If you trust in God’s wisdom and will . . .

For faith is a mover of mountains.
There’s nothing that God cannot do.
So start out today with faith in your heart
And “Climb Till Your Dream Comes True!”
