The 1986-87 Wildcat Annual Staff would like to dedicate the memories created in our annual to Marion Cochran, better remember by her family, friends, and students as Peggy.

Peggy taught school at Hardesty before accepting a position as Home Economics teacher in Boise City. She gave up teaching to spend time with her family as they grew up, enjoying and participating with them in youth activities. Returning to school, Peggy graduated in 1970 from Panhandle State University with a degree in Elementary Education. After teaching for 13 years in the third grade at Boise City, Peggy chose to retire early so she would be free to travel, and enjoy spending time with her husband John; sons, Ronnie and Greg; their wives, Audrey and Teresa; and grandchildren, Carlye and Casey.

We will all greatly miss her bright smile, plus the warmth, dedication, and concern she expressed to all those about her.

The Class of ’87 began our long trek through early education with thirty-nine Kindergarten Students. We were now going strong, gaining a few and loosing a few throughout the years. Thirty-three proud eighth-graders marched down the aisle to receive our diplomas. With this event we embarked on a new and exciting challenge—“High School.”

While at Boise City High School, we met new faces and lost some old friends. Beginning our senior year, we have grown closer together. We have experienced joy and success, shared grief, disappointment and sadness. As we finish this year, the last in our long journey that began thirteen years ago. David McReynolds: Jr. High Girls Basketball-Track: “I was very satisfied with the way the season progressed feeling like the team had greatly improved from the first of the year. The progress we made this year will help us become a stronger team next year.”

H.S. Girls Basketball-Track: “I feel like we had a successful season because we made it to the playoffs for the second year in a row. The team was disappointed because they did not make it any further.” TRACK — “I couldn’t be anything but pleased with the outcome of our track season. The dedication and hard work of the girls payed off.

Jeff Wardlaw: Jr. High Boys Football-Basketball: “Our Jr. High teams improved all season and represented their school very well. The 8th grade team won the Felt Tournament and the 7th grade won Consolation at the Texhoma Tournament. All our players improved and I am looking forward to watching them perform in the future. I am pleased with the boys track team and the dedication they showed.”

J.D. Zehr: H.S. Boys Basketball-Track: “The boys worked hard this year, and I am looking forward to working with the teams next year.

Allen Mincher: Head Coach-H.S. Football: “The ’86 Wildcats are one of the hardest working teams that I have been associated with. It was an honor for the coaching staff to work with these young men. The Cats never went into a ball game that they believed they could not win. To the ’86 Cats: YOU are a Very Special Group of Athletes.”

"Expressing Freedom"

As Co-Editors of this year’s annual, we have had a lot of fun, but it has also been a lot of hard work. Since we were all new to the Annual Class experience, coupled with the use of a new computer and programs, it was quite a challenge for everyone at times. Throughout this year, we have tried to capture some of the most memorable, exciting, and sentimental moments in our annual.

We could not have produced this annual without the help of the following people and wish to thank them for their support:

Mr. & Mrs. Gordon Folkers and Mr. Jim Roseberry — for taking pictures.
Blank Studio — for taking the student pictures and the prompt service.
Eric Boydstun, Tracy Hughes, Debbie Imler, and Denise Wilson — for helping us with the typing, layouts, and preparing the pictures and pages.
Ms. Bonnie Miller, Advisor — a sincere thank you for all the time you spent after school helping us.
Tom Quaid, Representative — for the patience in helping us with our computer and other problems.
We feel that with help of these people, we have produced one of the best annuals yet.

"Expressing Freedom" is the theme we chose, and would like to challenge each of you to guard this right and keep it strong in America. We hope you enjoy your 1987 annual.

Terry Payne
Patty Malone

To The Annual Class:

This year has been a new experience for all of us. You have worked hard and produced a great yearbook. I hope when you look through the pages, you’ll remember the good times as well as the bad, and even the fun times. We grew together throughout the year, and I appreciate your understanding.

Bonnie Miller, Advisor
