The Wildcats we have walking our halls
Don't have fur and don't have paws.

Our Wildcats are a special breed
Specifically adapted to succeed.

Wildcats are strong, smart and quick
Doing their best with might and wit.

You'll see them carefully stalking their prey,
Whether it's a win or a hard-earned "A."

And when this great cat has that glaring stare
You'd better step back and better beware

'Cause this Wildcat is on the move
With future plans and plenty to prove.

So let's all stand and give a high five
And do our best to keep that **Wildcat Spirit** alive!

Linda Loyd, Bill Ramsey, Pat Ramsey

UNFORGETTABLE MOMENTS
UNFORGETTABLE LEADERS

Words From The Heart

Here we are in our caps and gowns,
Making our parents so proud.
We were once their little kids,
But we’re all grown up now.

For just a moment let’s think back.
When we were little squares,
Remember driving Mrs. Wheeler crazy.
Until her head would hurt?

And at the end of the year,
We’d go to the river to play games.
From climbing rocks to kissing contests.
But of course, I’ll mention no names.

High school was fun at times,
Other times it drove us nuts.
Most classes took lots of brains.
But sports took a lot of guts.

Now high school is over for us,
And our lives we must plan.
There are so many decisions to make.
And we do the best we can.

Some will go to the forces,
Others far away to school.
Some will stay at home,
And just play it cool.

But keep in your hearts,
These times at Boise City High.
The times of joy and victory.
The times when you would cry.

And now I say to you, my friends.
Thanks for all the memories.
May God bless your every endeavor.
And keep in touch. Please.

Mignon Priest

Mignon Priest, who taught in Boise City for more than 23 years, will retire following the 1989-1990 school year. Mignon began her teaching career in 1945 in Nóm, Okla., as she was working on her college education. In January of 1946, while teaching at Nóm, she met John Priest, and they married in June of that year. She continued to teach in 1946 and 1947 at a one-room school in Hughes County, Okla., called "C-Bar." There she was principal, junior, teacher, coach, and music teacher. She performed the same services in 1949 and 1950 at another one-room school in Hughes County called Rock Creek.

In 1940 Mignon dedicated her life to Christ and became a member of the Freewill Baptist Church, Stratford, Okla. She has served as a Sunday School teacher since she was 16. Although she was not always able to attend Freewill Baptist Church, she has always been active in whatever church she attended.

Her husband, John Priest, was ordained as a Freewill Baptist minister in August of 1948; they served the Lord together until his death in December of 1988.

In 1950 Mignon gave up teaching to raise her family. She was a lot of hard work, but she never complained, and never let go of her dream.

Her list of accomplishments includes her six children, Melinda, an independent trucker; Marlena, a registered nurse at Cimarron Memorial Hospital; David, who works in an Oklahoma City hospital; Danny, a diesel mechanic in Amarillo; Beth, a secretary at Spearman; and Wanda, who works for the American Cancer Society in Oklahoma City. Mignon has fourteen grandchildren.

Through the years, Mignon continued her education, and in 1967 she finished her teaching degree at East Central State University in Ada. Later that year she and her family moved to Boise City where she began teaching penmanship and spelling to third and fourth graders. Because of cutbacks, she took over one fourth grade class and taught science, English, spelling, and penmanship for about six years before taking over the Special Education program.

In 1975, Mignon went back to East Central State University in Ada and enrolled in learning disabilities classes. She taught school all year and attended college during the summers. In 1974, she finished her Masters degree in learning disabilities. In 1977, she completed certification requirements in the field of educable mentally handicapped.

She has been active in the Oklahoma Education Association during all her years of teaching and has served as president, vice president, OEA delegate and recording secretary.

In 1980 she was selected Cimarron County Teacher of the Year and attended the Oklahoma Chamber of Commerce Teacher of the Year Banquet in Oklahoma City.

She also has been an active member of Delta Kappa Gamma since 1972. She was awarded two state scholarships and received the Outstanding Achievement award from Omega Chapter.

Some of Mignon's greatest thrills of teaching the special children have come when she could see the lights come on when they have eventually learned or achieved something thought not possible, and to see the boys and girls walk across the stage to pick up their diplomas just like the other kids. When without special education, they might have become dropouts.

Mignon's plans after retirement: "Move to my old hometown of Stratford, Oklahoma and become active in church there. I would really like to teach adult literacy classes and I want to spend time with my children, grandchildren, and family."

Hope Weldon

After 22 years in the Boise City Public Schools, Hope Weldon retired at the end of the 1989-1990 school term.

Her years of teaching have all been in the Boise City Elementary School. She has taught primarily fifth and sixth grade social studies and fifth and sixth grade math.

Hope was born in Custer, New Mexico and moved with her family to Cimarron County in 1930. She graduated from Boise City High School in 1946. She attended Amarillo Junior College, Adams State, and Panhandle State. While she was at Panhandle, she met Pat Weldon and they were married in 1949.

She went back to Panhandle in January in 1967, finishing her teaching degree in 1968. That fall she began her teaching career. Hope and Pat have three children, Tommy Pat, Billy Jack and Regina. They have four grandchildren.

After she retires, Hope plans on enjoying herself doing "whatever strikes me at the moment."

The purpose of National Honor Society is to encourage higher scholastic achievement, to promote leadership and to develop strong character among chapter members. To be eligible for membership, a student must be either a sophomore, junior, or a senior. They must have a cumulative scholastic average of 92.5.

The purpose of Oklahoma Honor Society is also to promote higher standards of scholarship among the students. Ten percent of the student body making the highest average marks in the high school may be nominated.

Michelle Oversstreet (Mascot)
Kellie Smith (Mascot)

The 1989 Football Cheerleaders attended the NCA Cheerleading Camp at Panhandle State University. They competed in the "Award of Excellence" for the second year in a row, as one of the top eight squads, earning home blue ribbons everyday.

Throughout the season the cheerleaders promoted spirit by displaying spirit posters, leading pep rallies, and creating spirit at the ballgames.

A community-wide Homecoming Pep Rally featured a parade preceding it. The cheerleaders created the award winning float for the second year in a row. At the final assembly, the cheerleaders presented decorated cakes to the Senior football players, Statistician and cheerleaders.

I feel that these young men worked really hard through the season, and showed a lot of talent and determination throughout the season. I hope to continue to work hard and improve throughout their lives.

Coach Stall

A roller-coaster year filled with untimely injuries, bad breaks, and unfulfillable potential.

Coach Stall

The guys put a lot of hard work into the 1989-90 season. Although they didn't achieve their goals, they showed heart and determination in every game.

Coach For

I am very proud of the 1989 Wildcats. Ten points was the difference in a very successful year, going to the playoffs. Cats, you showed a lot of character during the season and are a group of young men, who helped to make the Wildcats competitive in your four years of wearing the orange and black.

I would like to take this opportunity to thank the students of BCHS, the faculty, and the people of Boise City for their part in making this one of the most successful seasons in BCHS boys’ basketball history.

I hope everyone can appreciate the hard work these young men put into achieving a perfect regular season (a first in BCHS history). This team also accomplished some other high honors — winning the Keyes Tournament, Texhoma Tournament, High Plains Conference, and the District Championship.

Along with our team honors, we had six team members receive individual honors. Lance Begley was Conference MVP, Jimmie Williams, Billy Crabtree, and David Terry were named All-Conference. Two others were All-Conference Alternates — Todd Boydstun and John Jones.

Now, I would like to thank this team and God for the best first season a coach could have. It was a real privilege. 

Coach Brian Stalder

Support Our Advertisers!

The 1990 Wildcat yearbook staff would like to extend its appreciation to the businesses and individuals who contributed to the 1990 yearbook by purchasing an advertisement space or making a donation. Through the generosity of these businesses and individuals, the cost of the yearbook to the consumer is kept at a minimum. All advertising money is used to help defray the production expenses of the yearbook. The 1990 yearbook staff commends these 95 businesses and individuals for their support.
