After all these years, we finally have a class history
Although much of it remains forever a mystery
But now we recall the memories both good and bad
That the bold and daring class of 93 has had.

Rocky Barnes, what can we say? You did good splitting up the girls and boys when it was time to play.

Sean Barnes, what’s this we hear? You’re still drinking Coke through your ear.

Wednesday is a happy day for Farmer, Joe. Why, we still don’t know.

Nick Desbiens could never ever stop arguing with anyone, even if it meant that he would lose his negative number, a minus one.

David Crawford, you sure make teachers wonder when you smile, but we all know it’s just a new hair style.

Scott Collins, we will always remember you’re great fall, and how can we forget when we look at the Loaf-n-Jug wall.

Brian Pafford, where are you now? The last time we say you, you were hitting a cow.

Twyla Twyman was our great “mole” queen and in freshmen English class, her clarinet we learned to clean.

Michael Clifton, you sure must have been love sick, David told us you hit your head with a brick.

When it comes to health conferences, Mr. Ramsey just isn’t a fool, Taylor Barnes, your house was just too close to the school.

Erica Rosebery, were you really that asleep, or did you just want to miss the Regional Track Meet?

SCHS’s genuine “Miss Fashion”, Cresa Sanders, is our own Lisa Turtle, but luckily she’s somehow conquered all of life’s little hurdles.

Lupe Rodriguez is your code name “Sam, I Am.” Coach Jenkins sure got your Halloween green eggs and ham.

Although Darsit Bhakta wasn’t sure about learning algebra, he sure was on candid camera.

Aric Hathaway wrecked his motorcycle and cried. “I can’t see.” Don’t think you’re blind.” Brandon said. “Pull up your visor, it’s only me.”

Brandon Pugh, we know you were mad. Tell us why did you stomp on Mrs. Smith’s foot and make her so sad?

During the Walsh game, Rodney Comstock was doing just fine, that is until he stepped over the free-throw line.

Myranda Lathrop, are you such a duh? Did you really have to ask weird pie questions in algebra?

Sometimes when looking for a way to justify the ends, we have to question Arlevia Henshaw’s comment “We’re just friends.”

Virginia Imler, how many times did it take to learn to negotiate Pafford’s corner and turn?

A fellow with a backpack was just looking in the shop. Was it you Ray Green who called the cop?

Woody Moore didn’t seem the least little bit afraid. Our little Romeo said he liked all the girls in fourth grade.

We always wondered about the excuse Bernie Naylor used. As a freshman she was slow coming back...
Class Will 1993

We, the Senior Class of 1993, have gained several traits and characteristics over the years, many of which should be left behind for the enjoyment of underclassmen, since BCHS will be so boring after we are gone.

Rocky Barnes sadly wills his gun collection to Chad Pate so he can carry on with his prairie dog massacre.

Sean Barnes leaves behind the eardrum-busting speakers in his car to Jereme Crabtree and his little blue vehicle.

Taylor Barnes wills his liveliness and bouncin'-off-the-walls attitude to Nichole Chapman in hopes she will get some 'pep'.

Darsit Bhakta wills his brilliant speechmaking abilities to Danell Twyman. Now when she talks, everyone will listen!

Scott Collins sadly leaves behind his NWA tape collection to Chauncey Webb. Chauncey, we hope you can memorize all the words as easily as Scott did!

Michael Clifton wills his buzz haircut to Damian Richardson—enjoy your senior year.

Rodney Comstock wills his maternal instincts and home ec skills to T and Bart.

David Crawford leaves the ability to change his hairstlye and color to match his mood to Myron Lathrop and Eugene Sooll.

Nick Desbien leaves his amazing arguing abilities to Cindy Esperza in hopes she can keep all of the brick walls in the school occupied.

Joe Farmer wills his two year relationship to Nathan Crabtree. We wish you a long and happy life.

Ray Green sadly wills his concert T-shirt collection to Monte Cryer. Monte, we hope you enjoy you "new look"!

Aric Hathaway leaves behind his involvement in school activities to Betty Puebla in hopes she will actually do something next year.

Arlevia Henshaw wills her ability to take charge to Amy Clifton.

Virginia Imler leaves the contents of her “Little Black Book” to Jennifer Priddy so she can add them to her "Big Black Book."

Myranda Lathrop gladly wills freckles to Hina Bhakta. Hina, Myranda has earned every one of those angel kisses. Hope you can have as much fun earning yours.

Woody Moore wills his better-than-you attitude and mouth the size of Texas to Denton Cayton. We hope you can handle it!

Bernie Naylor leaves her bright and shiny attitude to Kim Overstreet. Kim, we hope you'll be as bubbly as Bernie has always been.

Brian Pafford sadly wills his teddy bear and GI Joe collection to Michael Ottinger so he won't be lonely.

Brandon Pugh wills his muscle magazine collection to Jill Desbien, future bodybuilder.

Lupe Rodriguez leaves behind his fifth hour study hall to Davy Stalder so he can fit in that extra sandwich and nap.

Erica Rosebery leaves her habit of oversleeping to everyone who is on time every day.

Cresa Sanders wills her closet and charge account at the Style Shoppe to Lindsey Henley. Enjoy yourself Lindsey.

Twyla Twyman leaves her outgoing personality to Deana Thompson, who is so painfully quiet.

Jennifer Walker leaves her dingingness to Kimberlee Walker. Kim, do you need us to explain?

Casey Wilson sadly wills his famous people impersonations to everyone in BCHS who doesn't have a personality of his own.

In conclusion, the Class of 1993 would like to leave the ability to be close as brothers and sisters (and fight like them as well) to all of the underclassmen, but especially to the Class of '96, who will always be Class of '93 wannabes, but will never be quite as wonderful as we are.
