"Looking Forward to Looking Back"
Devin,
The years have gone much too quickly. It's hard to believe you are graduating from high school. We are very proud of your accomplishments, and of the special young man you have become. We wish you love, success, and happiness throughout your life. May you be blessed on your journey.
Love,
Mom, Dad, & Logan

Celeste,
To a sweet, lovable girl with an intelligent attitude that can take you to any height you want to go. Keep God #1 in your life, and always strive to do your best. Prayers and best wishes for the future.
Love,
Mom & Dad

Casey,
I think you know how very proud of you that we are! You've been such a BLESSING! Just try to remember to "Trust in our Lord, with all your heart, and lean not unto your own understanding, in ALL your ways acknowledge Him, and He WILL direct your path..."
1. Keep your goals in mind
2. Keep walking with our Father, HELL keep you on the right path.
3. And know (always)—you're never alone. We love you! May God give you friendship, love, and success!
Love,
Mom, Dad, Carlye, & Calye

Clay,
You have always been a joy in our lives and we are very proud of all your accomplishments. You've had to face some difficult times, but they have only made you stronger. Always keep your goals high and trust in God for his continued guidance.
We love you,
Mom, Lori, & Tami
Brady,
We are very proud of you! Always remember if you put forth the effort you can accomplish anything. We will forever love and support you.
Love,
Mom, J., Katy, & JR

Andrew,
My wish, my hope and my prayer for you is that you would be successful in life. Not as the world views success, measuring the amount of money, or the material things that you accumulate, or doing things seeking the approval of people. But as God views it, measuring the heart and it's willingness to love and be kind to others, giving and helping others, because that will bring you happiness that you can get nowhere else. I want you to have a relationship with the Lord, know that you are loved, and be happy. That is what you call success.
Love, Mom

Jennifer,
As I watched while you were born, I wondered what your future held. As I watched your mother die and you only two, I wondered more. As I watched you graduate Eighth Grade, I was proud, but still I wondered. As I watched you grow from a young girl full of life and spirit, I wondered then how I was so lucky to now have a young lady full of the same. As I watch you in your final days of High School, I wonder NO MORE. The world is yours. I am so very proud.
Dad

Jonathan,
Thanks for the joy you have brought into our lives and into the lives of others. We are proud of all that you have accomplished through your years in school. You have set goals and accomplished them, because you have always put God first. As you open a new chapter in your life remember, Philippians 4:13 "I can do all things through Christ who strengthens me." We love you.
Your Family
Gabriela,
Good luck in the years to come. Follow your dreams and set your goals high, for the sky is not your limit.

Seniors 2003

Meagan,
One of the goals a parent has for a child is to strive to prepare that child to face the challenges life has to offer. Your Dad and I have always been extraordinarily proud of you in how you have met each challenge head on and come out on top. You always amaze us with your warmth and sincerity. You always seem to handle each situation with the grace of a much mature person. We know you have everything you need to be successful in life; a strong faith in God, a good work ethic, & a sweet personality. Good luck in your future and know that you will be thought of daily as you venture out on your own.

Love, Mom & Michael

Adam,
Remember, "Seek ye first the kingdom of God and all these things will be added unto you" as you set your goals in this world, work hard and strive for them. Enjoy life but keep in mind this is not all there is. Thanks for being such a blessing to us.

Love,
Mom & Dad

Beau,
The past eighteen years with you have been a wonderful part of our lives. We will always cherish the many activities we have done as a family. God has endowed you with many abilities, use them wisely. We are honored to have you for our son and brother.

Love you,
Mom, Dad, & Summer
Amanda,
We are more than proud of you! We have always known you were a gift from God. Always remain one of His children! We have only provided you with opportunities. You have seized them and worked hard to make them triumphs. We have only given you love. In return, you have filled our lives with happiness. It is our forever wish that you be happy in your life and that you continue to fill the lives of others with happiness.
Love,
Mom & Dad

Timothy,
Congratulations! It's been fun having you in our class, and we hope all goes well in your future.

Love,
Mom, Dad, Michelle, & Kimberly

Briana,
You have grown up so quickly. These first seventeen years have been such a joy with you. We are so proud of the person that you have become. You have so much integrity and strength to stand by your convictions to Christ and the people around you. I know that God will bless you as you enter your next phase of life in college. Stay strong in your faith and don’t let anyone sway you from doing what is right. You have such a gentle and loving spirit and we love you very much. I know you will accomplish whatever you set your mind to in the future.
Love
Mom, Dad, Shandra, & Brock

Cassie,
You have always been a great joy in our lives. You have set your goals and worked hard to achieve them, and we know you will continue to use the gifts God has given you to make other peoples lives, as well as your own, successful. We love you and we are proud of you.
Love
Mom, Dad, Audrey, Erin & John

Chance,
Congratulations! We are so very proud of you. You have been a true blessing from God and will always continue to be. Good luck in all that you do. With your strong will and independent thinking, you can accomplish whatever you decide to do, and you will do it well. Always remember to give God first place in your life. He will always be there whether in good times or bad, and will always love you just as we do. Good luck.
Mom, Dad, & Choyce

Love you,
Dad & Kat

Christina,
Our baby, with great disbelief, you are on your way to start out into the real world. We have faith in you, and know that you will succeed! You know that we support and wish you the best in everything that you may choose to do!!! Good luck, Congratulations, and God bless you. We love you.
Mom, Dad, Nora, Lupe, Aracely, Francisco, & Sandra

What a joy to watch you grow into a fine young man. Our prayer is that your life will be filled with joy, peace, and happiness. Set your goals high, and give the best in whatever you do. We are proud of you, and will always be here when you need us.
Love,
Mom, Dad, & Family

Natalie,
I wanted to write something special to congratulate you on your graduation. I can sit here and write special things all day long about you and never finish. So I'll write my most special thoughts I have of you. I love you, my little Monklett, because you are considerate of others, you are thoughtful and loving to your family, and you are a hard worker. I pray you will pursue a better life than I did. You have what it takes to go places. Use that gift to make your life better.
Love You,
Dad
Kristina,
It's been great the past years! Keep working hard and keep your head held high.
With your determination you will go far.

Student Life

Cassie & Amanda
Teachers come and go
but every so often one comes along
that you'll always remember.
One who makes learning an adventure...
and who can still remember
what it's like to be young
and growing up...
The kind who can make you
want to be the very best you can be.
Someone you can really talk to,
who really cares

Boise City Schools
4th Grade

Thank you for your
commitment and dedication
to the students of
Boise City Elementary.
A Teacher

Someone who is wise
Who cares about the students
And wears no disguise;
but is honest and open,
And shares from the heart,
Not just lessons from books,
But life where you are;
A teacher takes time
To help and tutor,
With English or Math,
Or on a computer.
It's someone who's patient,
Even in stress;
Who never gives less
Than the very best!!!!

Thank you for your commitment and dedication to the students of Boise City Elementary.

THANK YOU

On behalf of the 2002-2003 Newspaper and Yearbook Staff, I would like to take a moment to thank numerous people for their help in making this Yearbook. First of all, we would like to thank John Smith for the pictures he took for us. Also, to the Sponsors of all the Organizations, and the coaches as well, for allowing us time to take pictures, and for all the information and records they provided for us. The teachers deserve a big Thank You also, for letting us take pictures during class. We would also like to thank Mrs. Jenkins. Along with being dean of Students, she has dedicated much of her time to see that this yearbook was well put together. Thank you to the Community for purchasing ads, and purchasing the Yearbook. The Yearbook wouldn’t have been possible without the Financial Support the School Board provided for us. I would also like to thank the Yearbook Staff. They worked hard all year, taking pictures, gathering information, and designing the Yearbook pages. You all are the GREATEST!!!!

Thanks again,
Meagan Hiner, Editor
