

IPM Required Notification

April 24, 2023

When necessary, the Brewer School Department applies specific herbicides and pesticides for both weed and insect control.

Weather permitting, Green Thumb Lawn Service will be performing the weed and insect control application to the BCS and BHS athletic fields on Sunday, April 30, 2023 with a rain date of Sunday, May 7, 2023. Please observe all postings, and keep off all treated areas during the application and until dry.

The weed control being applied is Chaser
(EPA Registration No. 34704-928)

The fertilizer & grub management being applied is 22-0-5
(EPA Registration No. 100-1492-82757)

The insecticide being applied is Bisect L
(EPA Registration No. 34704-955)

If you have any questions or concerns, please contact Gretchen Gardner, Brewer School Department's Director of Business & Finance, at 207-989-3160.
