

Parents and Students,

Our hearts are so incredibly sad that we are unable to end the year together. We had so many things left to do and so many memories left to make. We are so glad that we are all able to stay safe and spend this time with our families, but we are missing being together in the classroom. It was so good to see everyone's smiles over Zoom last week, and we would love to try it again with even more of our students. Please contact either Ms. Ransom or Ms. Christiansen with the best day and time for your schedule, and we will put together another meeting in the coming weeks.

On our Zoom, we discussed doing an IXL competition between the two classes to keep our engagement levels high. We will give a prize each Friday, starting May 8, to the participating students of the class with the most questions answered. At the end of the four weeks, we will give a grand prize to the winning class. Please contact us with ideas of small prizes that will motivate your child.

We hope your children enjoy the new packets we have put together for them, and we would love to see the work your child is completing. Send us pictures through SeeSaw, Facebook, email, text, or whatever works best for you. We would love to tell them what a great job they're doing.

If you have any questions or would like us to provide any extra resources or instruction for your child, please reach out to us! We are available any time and can communicate with you through whatever is easiest for you. We hope you are all staying busy, safe, and healthy. We miss you all so much!

Ms. Ransom and Ms. Christiansen
