

Check-in from Erin L Ireland

WEEK OF APRIL 27, 2020

Dear Friends,

I hope this letter finds you all well and that you had a chance to do something fun this past week. I had a chance to have some non-school fun this week but you all were not far from my mind during this break.

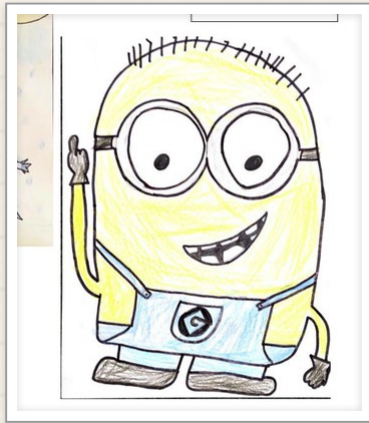

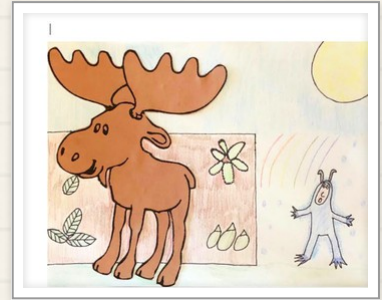

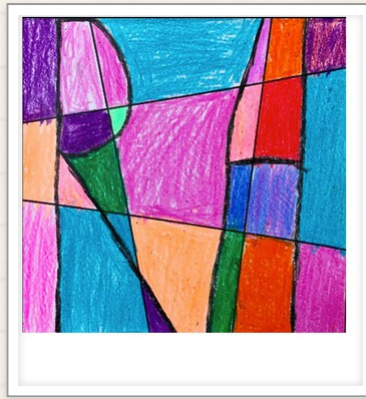

I hope you all had a chance to read Mr. Shaw's letter regarding the continuation of remote learning. If you have not read the letter, please take a moment to read it: https://core-docs.s3.amazonaws.com/documents/asset/uploaded_file/679322/Parent_letter_April_22.pdf. All of Mr. Shaw's, Mr. Stanley's, and my messages can be found on the district website. Please check there often for updates.

New remote learning packets will be available for pick-up tomorrow (Monday) morning starting at 11:00 am. Teachers have extended "due dates" on the assignments with the understanding that you may not all get the packets immediately. Please do not hesitate to reach out to myself or the teachers if you have any questions about these packets.

Meal delivery and pick-up will resume tomorrow (Monday). If you are in need of meals, please call the office as soon as possible.

We miss you all and know that you are all doing an amazing job with remote learning. Please reach out if there is anything you need, we are here for you. Take care!

~Erin
