Dear Parents,

Superior Central still wants to provide food and nutrition to our students even during this time while school is closed, so we're announcing a new program that will deliver meals at your doorstep for free. This program is called *Meals-to-You*, and it is a partnership between our district, the U.S. Department of Agriculture, and Baylor University. Your student(s) enrolled at Superior Central are eligible to participate in the program if s/he is already eligible for free or reduced meals at school. If your student(s) was not receiving free or reduced meals at school and you have recently lost employment please complete the form.

When you sign up to get a *Meals-to-You*, every other week you'll get a Meals-to-You box delivered to your home for each child 1-18 in your household. Each box will include 10 breakfasts and 10 lunches/suppers—enough food for each kid for two weeks!

All foods are shelf stable, which means you don't have to worry about them expiring anytime soon. With *Meals-to-You*, kid-friendly meals are delivered—for FREE—directly to your door, so you don't have to worry about:

- Extra trips to the grocery store
- Extra money spent on food
- Extra time planning meals your kids will like

If you aren't home when the box is delivered, no worries. The boxes are packed for security, and because the food is shelf stable, you don't have to worry about refrigerating the foods immediately. If you will be unable to pick up your box(es) on a given day, be sure to have a neighbor or family get it. And no need to worry; receiving this benefit will NOT affect any other existing benefits.

**HOW DO YOU SIGN UP? All you have to do is fill out an online sign-up form and submit it by Monday, May 4<sup>th</sup>. Access the online form by clicking this link: <https://mealstoyou.org/emergency-meals-to-you-application/>.**

Let *Meals-to-You* take away the stress of buying extra groceries during this time. If you have questions or would like more information, please contact be at [bvalima@superiorcentralschools.org](mailto:bvalima@superiorcentralschools.org)

Sincerely,

Bill Valima
