

Dear Parents and 4th Grade Students,

We miss seeing you each day and hope that you are all well! Our grade level has put together a schedule to practice skills at home. We recommend that you do a page per day from each subject. You can also log on to CLEVER from home to access IXL, Benchmark Advanced, Scholastic R180, Type to Learn, Accelerated Reading and NewsELA. Remember to take breaks and get exercise, too! Taking care of yourselves is extremely important during this time. Please continue to communicate with us through Class Dojo or email, should you have any questions. We will all be available from 10-12pm for a quick response daily on our Class Dojo or work email. Please mark your calendars for May 27th to return the Chromebooks with the charger, mice, and headphones. If you have any R180 books or library books to please bring back on that same day. If you have any questions please feel free to contact us by email, too. We will be reaching out weekly to check on students and offer support.

Sincerely,
 4th Grade Teachers
 Mrs. Fernandez efernandez@waterford.k12.ca.us
 Ms. Messick rmessick@waterford.k12.ca.us
 Mrs. Robertson drobertson@waterford.k12.ca.us
 Mr. Oberg noberg@waterford.k12.ca.us

Daily Schedule for Learning at Home
