NCOE students, parents, and community members:

With the unfortunate extension of the stay-at-home order through the month of May that was recently announced by Governor J.B. Pritzker, the graduation commencements for the NCOE seniors and 8th grade will be postponed.

In an effort to preserve a traditional graduation ceremony, the postponement date for the NCOE High School seniors will tentatively be set for Friday, June 12th, at 7 p.m. in the H.J. Phelps Gymnasium. In the event that further social distancing restrictions and/or stay-at-home orders are further extended, alternative dates, times, and procedures will be determined.

At this point, no date is set for our 8th-grade graduation. The date and time will be determined at a later time. The postponement does not mean we are not looking to recognize our 8th-grade class. We will be recognizing them in the month of May with details forthcoming. Please check the district app and social media sites for ongoing information.

Sincerely,

Matthew J. Vollman, Superintendent
