4/28/2020

Students of WHS,

I hope this message finds you well. With the recent news of Distance Learning continuing until the end of the school year, we want you to know we are still here for you. We are here to help make the final push to finish the year strong. While we wish we were all back in the hallways of WHS, we must forge ahead during this time and stay as safe as possible. Thank you to all who are doing your part and working hard to adapt and adjust in such a short notice. Please know these skills are highly valuable in your years beyond high school. We still think of each and every one of you during this time and want you to reach out if you need anything.

Below are a few reminders as we move to close off the school year:

- Graduation is set for May 29th, 2020. Melanie has been hard at work and speaking with senior leadership to iron out final details. Think motorcade!
- Prom is cancelled for 2020. Because of the continued distance learning and closing of the school building by the Governor, prom will not be scheduled for 2020.
- All activities and athletics are cancelled for the remainder of the school year.
- You should be checking in with your classes daily. Adjust your schedules as needed.
- Schoology is back up and has been working fairly well for more than two weeks. Schoology not working is no longer an excuse for not completing work.
- Grades count! We will be awarding letter grades at WHS for trimester 3 and they will count towards your GPA.
- Summer School credit recovery will be in session this year with the addition of our new online classes. Students will be notified if credit recovery is needed.
- ALL work that has been assigned this trimester is being graded by your teachers. This includes core classes as well as ELECTIVES! Contact your teacher if you are behind.
- You do have to check in with your homeroom teacher and complete anything due.
- Academic integrity matters, complete your own work and reach out if you need help.
- Please be patient for assignments to be graded. Teachers are working to stay caught up with the submissions while attempting to reach out to students and families.
- All materials (including computers) will need to be returned at the end of the trimester. Schedules for turning in materials will be sent out towards the end of the month.
- No new instruction will be provided on Friday, May 1st and Monday, May 4th. This is teacher prep time and a great chance for students to get caught up or work ahead.
