

ASB Executive Council Expectations & Code of Ethics Contract

As an elected or appointed ASB Executive Council Officer, I agree and commit to the following expectations:

- I understand that as an Executive Council member, I am expected to set a positive example on a daily basis with my words and behaviors – both inside and outside of school hours.
- I understand that I am expected to maintain at least a 90% attendance rate at school.
- I understand that I am expected to maintain a 2.75 or higher GPA at all times while I am in office and that I will face probation and possible removal from office if I am unable to do so.
- I understand that I am expected to help promote a positive, respectful environment and a spirit of teamwork among my fellow Council members.
- I understand that I am expected to field ideas, suggestions, concerns and complaints from the general student body and represent their viewpoints at the Council meetings.
- I understand that I will be expected to attend a variety of meetings, work sessions and retreats as well as school activities as a part of my position. I further understand that this will require me to contribute my time for meetings, activities and projects - before school, after school, occasional evenings and weekends and sometimes during class time - as directed by the Advisor. I understand that I need to be on time to these meetings and that if I miss more than two meetings or activities, I may be placed on probation or become ineligible for the next ASB retreat..
- I understand that I am expected to help at all ASB functions - including helping to set up and take down dances, fundraisers, concessions and spirit week activities - as directed by the Advisor.
- I understand that I am expected to avoid all illegal activities – both inside and outside of school – including use of tobacco, alcohol, or drugs. I understand that my participation in such illegal activities will result in my immediate removal from office.

I agree to give a personal best effort to uphold these expectations and to encourage the same among my peers.

Signature of Student

Date

I have read the expectations and will help support my student in meeting these expectations.
