Dear Parents and Guardians,

Your child has been selected to participate in the Willingboro Public Schools Summer Enrichment Program. This program is designed to provide intervention in English Language Arts and Mathematics.

The enrichment program consists of five weeks of instruction, beginning July 11, 2022, and ending August 12, 2022. Weekly classes consist of five (5) days: Monday through Friday for 4 hours each day from 8:30 a.m - 12:30 p.m. We ask that parents and guardians encourage daily and active participation to foster successful outcomes.

Students will report to the program as follows:

- Grades K-3: Hawthorne Park Elementary, 84 Hampshire Lane
- Grades 4-8: James A. Cotten Intermediate, 50 Rev. Martin Luther King Drive

Breakfast will be provided to students upon their arrival at 8:30 a.m. Lunch will be provided to students at 11:30 a.m. There will be no transportation provided for students; parents must pick up and drop off their children each day.

If you would like for your child to participate, please click on the link below to register your child. Please note that participation in the program is limited, and space in the program will be provided on a first-come, first-serve basis.
