

Boise City Schools

Go Wildcats!!

Parents and Students,

Boise City Public Schools will be serving meals during this mandatory shut-down at **NO CHARGE** to the community. Meals are available to any person 18 years and younger, and is open to any child regardless of address or school district. Breakfast and Lunch will be served from 10:00am to 12:00pm, Monday-Friday, beginning March 23.

Please TEXT (405)564-3013 or [email dianar@keystonefoodservice.com](mailto:dianar@keystonefoodservice.com) to say how many in your family want a meal during this duration so we have an idea of how many to prepare. If you want delivery, include your address.

Approved staff only will be allowed in the school buildings. The meals will be served at the Elementary Cafeteria unless the ongoing service work has the roads blocked. If that occurs, the meals will be served from the Wildcat Pride Room in the High School. Hopefully we will know for sure the point of food service before Monday, March 23, but please be patient with the situation. We will communicate with you as we know.

Refrain from any contact person to person and utilize social distancing. Our staff are adhering to strict food preparation guides from the CDC to make sure we are serving you a safe and healthy meal.
