National Field Day - May 8th

- Students will not have any regular Zoom sessions on May 8th. Mrs. Patterson shared all of the field day activities in your child's email as well as in their Google Classroom. All of those activities can be done with standard items around the house. Please take pictures of your child doing their field day activities and email them to your child's teacher or to palic_rh@julesburg.org. We would love to share these on our website and Facebook page.

May 11th-15th - Last Formal Week of Instruction and Assignments

- This will be the last week that teachers will be conducting formal instruction and giving assignments so please make sure your child is attending and completing work as assigned.

May 18th-22nd - Zoom Sessions WILL Continue

- During this week, teachers will continue to host their Zoom sessions. Students will have this week to work with their teachers and finish all assignments. Teachers will also be doing class awards and other fun activities throughout the week so please continue to have your child attend.

May 22nd - iPad/Hotspots/Library Book/Instrument Return-IMPORTANT...PLEASE READ

- Staff will be available during the hours of 4:00-6:00 p.m. on Friday, May 22nd for the return of iPads & cords, hotspots, library books and band instruments. We are asking that you please place your iPads, cords and hotspots (for those that checked these out) **IN BAGS (in the same manner they were distributed)** and pull up to the front of the school and remain in your car. We will take the school items and then will return your child's school supplies or any other items that belong to them. If you have not checked out any school items, this will also be the time to pick up your child's supplies from school. ***We want to make this as quick and efficient as possible in order to maintain all health regulations related to COVID-19.*** In the event there is bad weather, we will distribute from the north gym doors so we ask that you pull up near that area and remain in your car and we will come to you to make the exchange of items.

May 29th - Report Cards Home

- Report cards and Moby Max progress reports will be mailed out to all families on May 29th. We realize we made some adjustments to our grading system due to the school closure so the information you receive will be summative of their progress over the year as well as during the closure. Also, lunch bills (from before the school closure) will be mailed with the report cards. Please mail payment back to the school at 525 Spruce Street, Julesburg, CO 80737.
