

Parents:

This letter is a reminder that USD 387, Altoona-Midway Schools will be hosting a summer sports camp this summer for students wishing to continue to build on their skills or students who have never played, but are interested in learning. These sports camps provide students an opportunity to learn from the Altoona-Midway coaches and their staffs and serve as offseason preparation for the upcoming seasons. The sports camps will once again fall in line with the summer food program that will take place at Altoona-Midway Elementary. This program provides school-aged children breakfast and lunch free of charge. There will be transportation to and from the elementary for those living in Buffalo. Pickup and drop-off will be at the United Methodist Church in Buffalo. The camp schedules are listed below, and please call AMHS with any questions. 620-537-7721
