Dear Parents and Guardians,

I hope this letter finds your family and loved ones safe and in continued good health. Those of you that are experiencing difficulties, please let us know. It is hard to believe it is May already. Recently, the discussion around reopening the State and the potential reopening of schools has become more prominent in CT and across the country. Governor Lamont has announced a 4-phase plan to reopen the state beginning May 20<sup>th</sup>. As of yet, schools are not included in the plan. We expect to have more information sometime next week on whether or not schools will reopen this school year. In the meantime, Commissioner of Education, Dr. Miguel Cardona is seeking input about reopening schools. I sent information on how you can participate in a separate message earlier today.
