2. Copies of the Healthy and Safe Schools Plan

Copies of the plan are available at each of the following locations:

- South Wasco County School District #1 - District Office
- SWCSD #1 Webpage - https://core-docs.s3.amazonaws.com/documents/asset/uploaded_file/690/South_Wasco_County_School_District/2231022/South_Wasco_HASS_ODE_Approved-1.docx.pdf

3. Testing Certification

South Wasco County School District #1 certifies that it is in compliance with all plan components, including any and all testing required by any part of the plan.

4. Testing Results

South Wasco County School District #1 is current with all required testing as of the date of this document. Test results can be found on the South Wasco County School District #1 website at:

<https://www.swasco.net/documents/district/public-health-announcements/healthy-and-safe-schools-plan/204419>.

South Wasco County School District #1 will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact Aimee Hovis, Business Manager to be added to current district email lists and programs. Specific test results can be found as follows:

- **Lead in Water:**

<https://www.swasco.net/documents/district/public-health-announcements/healthy-and-safe-schools-plan/204419>

Facility Name	Building Identification Number (BIN)	Activity resulting in reduced risk of exposure to hazardous materials	Type of hazard addressed	Number of tests that exceed limits after remediation	Number of sites where remediation is still in process
Shop - Middle School Building (Current Applied Arts Building)	22251109-028 22251109-029	Sinks are being flushed daily during summer 2022	Lead in water exceeded 15 ppb 028 - ppb 16 029 - ppb 23 Retested 6/17/22	2	2
Boys Restroom Handwashing Sinks (028)					
Classroom Handwashing Sink (029)					

- **Radon:**

<https://www.swasco.net/documents/district/public-health-announcements/healthy-and-safe-schools-plan/204419>

5. Website Link Maintenance

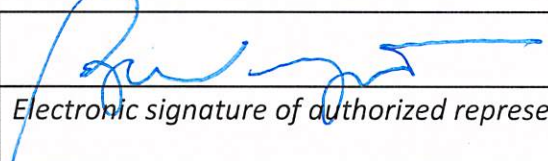

South Wasco County School District #1 certifies that all website links for plan information and test results are current and functional.

6. Major Exposure Reduction Activities

South Wasco County School District #1 has completed the following major activities, which resulted in reduced risk of exposure to hazardous materials:

Facility Name	Building Identification Number (BIN)	Activity resulting in reduced risk of exposure to hazardous materials	Type of hazard addressed	Date of activity	Estimated cost of remediation
South Wasco County High School	7319629	Retesting area - Long Term Test Signage for air flow when room is in use.	Radon exceeded EPAs fix-it level at 4.0 pCi/L	1/29/21	\$1500

I certify that the above information is true and accurate to the best of my knowledge.
