SANFORD SCHOOL DEPARTMENT — TITLE I

Dear Parent/Guardian,

Research indicates children take learning more seriously when parents have an active involvement in their education. Title I would like to help you do this by providing materials and information for you at no cost to you.

Please check-off three of the following items that you would be interested in receiving from Title I. We will try to provide the most popular choices.

- Keep at home books at your child's appropriate reading level for students in grades K-2
- DVDs on topics about parenting
- Books/booklets about parenting
- Books/booklets about how to help your child in literacy
- Books/booklets about how to help your child in math
- Reading activities to do with your child
- Math activities to do with your child

➤ Please feel free to suggest other materials/activities below:

** Please return this form along with your Questionnaire(s) to your child's Title I teacher.
