

RESPONSIBLE & TRANSPARENT

**SCHOOL  
BUDGET  
REFERENDUM**

**TUESDAY, JUNE 14**

Residents of Sanford and Springvale,

Please remember to vote on the Sanford School Department 2022-2023 school budget on Tuesday, June 14, 2022.

We have worked hard to develop a budget that is responsible, transparent and meets the needs of the School Department. The proposed budget was approved by the School Committee, the city's Budget Committee and the City Council. Now it is up to the voters to approve the budget in a city-wide referendum vote.

Here are some links to learn more about the budget we are asking voters to approve:

Thank you for your continued support of our children and schools.
