- Complete **all** of the new Khan Academy Assignments - finish the Add and Subtract Fractions Unit and begin the Multiply Fractions Unit. You will watch several short videos, do several practice exercises and complete a quiz at the end of each lesson. It looks like a lot of assignments but each one is only a couple of minutes long.
- This will be the last set of assignments. All work (current and late work) must be submitted by Friday, May 15 in order to receive credit.
- Remember that any **previous** work done on paper must be turned in by taking a picture and emailing the picture to Mrs. Pittman, or giving your work to the bus drivers when they deliver meals (your name and Mrs. Pittman's name must be on all pages). Please contact Mrs. Pittman via email if you have questions about submitted work.

**STUDENTS WHO DO NOT HAVE INTERNET ACCESS MUST CALL THE JR. HIGH OFFICE TO MAKE ARRANGEMENTS TO GET PAPER ASSIGNMENTS. ALL OTHER STUDENTS MUST COMPLETE AND SUBMIT THESE ASSIGNMENTS ONLINE.**
