

## **Grayson County School Food Service**

For the 2019-2020 school year, all students can receive one nutritious breakfast and lunch at no cost to the student each day. Students will still need to submit completed Household Income Forms (HIF) in place of the Family Meal Application for Free or Reduced Meals. The information obtained from these forms will help determine funding for other programs that impact education, technology, family resource centers, title I, preschool, as well as other state and federal grants. Please encourage your children to get a nutritious meal from the cafeteria at breakfast and lunch each day to ensure that we can continue this program in future school years.

Breakfast service will begin at 7 a.m. If you are providing snacks for your child's class, please provide nutritious snacks. For safety and sanitary reasons, daily classroom snacks, as well as party snacks, must not be homemade items. A list of appropriate classroom snacks will be available on [www.graysoncountyschools.com](http://www.graysoncountyschools.com).
