Mr. Brian Sparling, Dean of College and Career Readiness
Mrs. Cherie Leach, Senior Class Advisor

Date: May 01, 2020

Re: Invitation to Graduation Ceremony, May 17th, 2020 at Noon

On behalf of the Ridgedale Local School District's Board of Education, administration and staff, I would like to commend your son/daughter on his/her upcoming high school graduation. This event has been anticipated since the beginning of your child's educational career, and although it has been a difficult and challenging end to the school year for our seniors, we still want to recognize and honor this amazing class in a special way. I'm sure in years to come, we will all look back in amazement with fond memories of how we all overcame this pandemic.

We want to cordially invite you to attend this formal celebration on Sunday, May 17th, 2020 at Noon. Starting at Noon, each member of the senior class, at the designated time slot appointed, will be escorted to the front of the Ridgedale junior/Senior High School building (by the flagpole), the graduate and (four) family members will be allowed to walk to the front of the building, receive their diploma, take a picture and then return to their car and leave campus. (Detailed instructions attached, please read carefully).

The ceremony will be recorded, and then edited for an awesome video for your graduation memories, which will include, graduates getting their diplomas, speeches, senior slide shows and other highlights from your senior year.

If your son/daughter is not able, or wishes not to attend the graduation ceremony, diplomas will be available in the high school for pick up starting Monday May 18, during school hours, please call/email for arrangements. We ask that all students and guests respect school policies and that their behavior is reflective of the high expectations held by Ridgedale Local Schools.

Attached is a complete list of important dates and instructions for Seniors, please read through carefully. Once again, congratulations on this monumental accomplishment. I hope that you will continue to feel a part of the Ridgedale family long after graduation. You are welcome and encouraged to share your life and your successes with all of us, we wish you the best in your future endeavors.

I trust the following will serve as a useful planning tool, please do not hesitate to call me (740)387-2167 Ext. 405 if you have any questions.

Please keep in mind that if the community/county sees a “spike” in COVID-19 numbers, this plan may be subject to termination, also if you or someone in your family has contracted COVID-19 we will have to be made aware of this in advance of May 17, 2020.

Thank you for your cooperation in helping to make the “2020 Graduation” a success. We look forward to this celebration with your family and friends.

**Class of 2020 Drive through Graduation Instructions
May 17, 2020 Starting at Noon**

Follow the directions given on the map, (map attached). We will follow the drive through graduation procedures like all other pickups have been conducted. Please enter the South entrance (Kenton-Galion Road), then proceed to the lower level parking lot and back up to the North lot (Irvin Shoots Road) and turn right into the bus loop, as you arrive at the front of the school building, (flagpole). Please arrive 5-10 minutes prior to your assigned time, and again I hope to keep to a 5 minute per student/family time frame. As you arrive, waiting in line you are to remain in your car and follow all social distancing guidelines.

Upon arrival at the flagpole, the graduate and (four) family members will be escorted from your car to the front of the school building, we will have a table set up with your son/daughters diploma for them to receive and take a picture. The graduate will then move their tassel and another picture will be taken and finally the student will throw their cap in celebration. This procedure will be repeated until the entire class of 2020 has received their diploma. Again, I cannot stress enough the need for efficiency of a 3-5 minute time frame per graduate, please be ready are prepared as your approach the flagpole, thank you. After completion of the 5 ceremony, each graduate and family will return to their car and leave campus, the times assigned will be attached following these instructions, please contact me if you have any questions.

Ridgedale will be recording each student’s walk from the flag pole as they receive their diploma, a picture will be taken, the moving of the tassel by each graduate and then throwing of their cap. This will all be compiled with the traditional graduation music, senior slide show, speeches, administrative remarks and many more senior year highlights and viewed virtually at a date and time yet to be determined.

** IF we have inclement weather, we will proceed with the drive thru graduation in the same manner with the diploma/pick up area being the lower level parking lot west exit of the building under the overhang of the school.

Graduates and families, I look forward to seeing you all Sunday, May 17, 2020
(Please arrive 5-10 minutes prior to your assigned time)

Please thoroughly review all instructions, review your assigned time for Sunday May 17 and the drive through map directions, if you have any questions, please let me know, Thank you!

Sincerely,

RHS Principal, Greg Rossman
