MINUTES

1. Introductions took place
2. Instructional Update
 - Mary Beth thanked and recognized everyone for their good work with SLO's. She is hopeful everything stays at this same level and the state asks for nothing new until PARC (2014).
 - This complex has no more wiring structure to add additional technology. This is why the laptops and logons are so slow. She talked about possibly re-wiring the secondary complex and creating three labs at the secondary complex. Jeanne Kasproicz asked if the wiring could be done as part of the capital project.
 - Amy Doody had some questions.
Middle School computers: Mary Beth let everyone know that we have technology but because of the budget cuts made, the two techs cannot keep up. Middle School teachers all have new computers but they are not yet installed.
How will test scoring be done? Mary Beth said this is a January "thing" to work on.
 - Jeanne Kasproicz had question regarding scoring of Science. She wanted to know if the second individual grading has to be certified in the subject matter.
3. Special Education Update
 - Amy Edgerton said everything is going smoothly. This year is excellent for IEP writing thus far.

4. Roundtable

MULLEN - Jessica Lyons

1. SLO's - believe done
2. Turkey Trot - Friday, Nov. 16th
3. Building Reading Goal - 4,000 books
4. Had an evacuation drill
5. Fire Prevention
6. Roof done, gym is loud
7. Questioned if days of parent-teacher conferences should change to not be after a holiday
8. Behavior System-going very well – clip chart with gems on clothespins
9. New Fire Drill accountability process
10. Building goal - Leader in Me
11. Questioned if Open House should become Curriculum Information Night

RIVERVIEW - Becky Lindner

1. Lighthouse - Friday's pay \$1.00 for a "Fun Day." This money goes to Make-A-Wish.
2. Raised \$540.00 for Julien Lamb
3. Many bus write-ups. Working on different ideas to reduce these.
4. Leader and Me - 6:00 pm with families at the High School
5. UB - Dr. Fabiano - Behavior - This is second year at Riverview
6. Pigs (Pretty Important Goals) and Wigs (Wildly Important Goals): A fun way for teachers to keep track of goals
7. SLO's
8. Board goals - looking at these
9. Looking at creating data binders
10. Shoot & Score to earn a day with a Sabre
11. Turkey Trot

MIDDLE/ HIGH SCHOOL - Amy Doody

1. SLO's
2. RTI Pyramid
3. Raising money to donate to Make-A-Wish
4. Intentional Non-Learners - (INLs) RTI sending ideas and strategies out to groups regarding INLS
5. UB – Dr. Fabiano - looking at having students come in from UB to work with students and teachers
6. RTI is somewhat attached to Student Support Team (SST) but is a separate group. Another RTI meeting is scheduled for December 11th. Had discussion of in-house Alt. Ed. Program.
7. Bully Prevention assembly in gym. All students got t-shirts and about 75% of the students wore them. Betsy talked about being on this committee. She said one student she talked to does not believe there is follow-up when being bullied and that bullying does exist at the High School.
8. Mary Beth asked a question about changing the schedule for Middle School. Amy Doody responded that it is being discussed with no definite time schedule being done yet. Amy Doody said she saw 46 minute schedule, nothing with 56 minutes. Mary Beth asked about getting SLO information/data/teaching in with shorter periods.
