 - 4th Period for 6th grade and 9th period for 7th and 8th Friday, December 16th
 - Students will report to 9th period, take attendance and will walk down with teacher *** 7 and 8th grades, every other seat in the auditorium.
3. ISS early release a "reward"
 - reason to leave early is to get them out of the mix. The plan is in place that a student sent to ISS 2x in one receives an automatic 1 hr detention and they must call home. When a call is made and a student does not make it down, ISS needs to call the teacher.
4. Vending machine supervision is working, student traffic upstairs prior to 7:40 has decreased.
5. Next meeting - brainstorm items from TMS/HS School Vulnerability Assessment.
6. Holiday Luncheon - Friday the 23rd there is a sign up on the weekly minutes.
