STAFF MEMBERS
The staff at Ocosta Jr./Sr. High School are professional, committed, and dedicated to the successful achievement of all students. **Regardless of their position, each staff member will be treated with respect at all times.** All staff members have the authority to make “on the spot” corrections for student misbehavior. If unknown to the staff member, students are expected to stop what they are doing and give the staff member their name if requested. While performing their duties, acts of insubordination (defined as the refusal to follow reasonable instructions) and any verbal or physical disrespect towards any staff member is unacceptable and will be dealt with in accordance with district disciplinary procedures.

VISITORS TO THE BUILDING
In order to ensure the safety of our students and to limit the disruption of instruction, Ocosta School District will implement the following visitor’s policy in alignment with the Board policies.

All doors to the building will be locked during the school day. Visitors will need to use the main entrance for access via an intercom system. You will need to push the intercom buzzer, look into the camera, and state your name and your purpose for coming to the school. Upon entry, you are to report immediately to the office. All visitors must present photo identification with the office, if going beyond the front lobby. Please be patient with this process as the system is to ensure that your child is able to learn in a safe environment.

Visitors MUST keep their visitor’s badge visible during school visits. District Staff have been directed to stop anyone in the building without a badge and ask them to report immediately to the office to sign in. This not only gives us tighter security control, but a way to account for all people in the building should an emergency situation arise.

As in the past, parents are to report to the office to sign students out. Students will be called to the front office for dismissal. If the parent has a specific reason to visit the classroom (i.e. student presentation, pre-arranged conference), he or she will follow the procedure for the visitor and be issued a badge.

When leaving the premises, return to the office to be officially checked out of the system.

Anyone who disrupts school operations, damages school property, poses a risk to students, staff, or the school may be asked to leave school property. A principal has the authority to prohibit such persons from attending school events or coming on school property.

Your understanding and cooperation will be appreciated.

COUNSELING SERVICES
Guidance services and counseling are available for every student at Ocosta. These services include help with academic, personal, and/or social concerns, guidance with college and career planning, as well as any questions a student feels he/she would like to discuss with a counselor. Students should feel free to come to the counseling office to request support at any time.

STUDENT SCHOLASTIC ACHIEVEMENT AND EXPECTATIONS

STUDENT RECORDS
The district shall maintain those student records necessary for the educational guidance and/or welfare of students, for orderly and efficient operation of schools and as required by law. All information related to individual students shall be treated in a confidential and professional manner. The district will use reasonable methods to ensure that teachers and other school officials obtain access to only those education records in which they have legitimate educational interests. When information is released in compliance with state and federal law the district and district employees are immune from civil liability unless they acted with gross negligence or in bad faith.

Student records are the property of the district but shall be available in an orderly and timely manner to students and parents. “Parent” includes the state department of social and health services when a minor student has been found dependent and placed in state custody. A parent or adult student may challenge any information in a student record believed inaccurate, misleading or in violation of the privacy or other rights of the student.

Student records shall be forwarded to other school agencies upon request. A high school student may grant authority to the district which permits prospective employers to review the student’s transcript. Parental or adult student consent shall be required before the district may release student records other than to a school agency or organization, except as otherwise provided by law.

A grade report, transcript, or diploma shall not be released until a student has made restitution for damages assessed as a result of losing or damaging school materials or equipment. If a student has transferred to another school district that has requested the student’s records, but the student has an outstanding fee or fine, only records pertaining to the student’s academic performance, special placement, immunization history and discipline actions shall be sent to the enrolling school. The content of those records shall be communicated to the enrolling district.
within two school days and copies of the records shall be sent as soon as possible. The official transcript will not be released until the outstanding fee or fine is discharged. The enrolling school shall be notified that the official transcript is being withheld due to an unpaid fee or fine.

**GRADUATION REQUIREMENTS**

Students should refer to Ocosta District Policy 2410 or see the guidance counselor for a detailed description of Graduation Requirements (this is a guideline only). Students must meet the Washington State Graduation Requirement to earn a high school diploma from the Ocosta School District:

*Under a six-period day, a physical education credit may be waived by successfully completing a full athletic season. A maximum of one (1) credit may be earned through sport seasons. A student who participates in more sport seasons may request that the additional sports be listed on their transcripts, however, no additional credits will be awarded. Regardless of the number of periods in the day, the student must request credit in advance and the completion must be documented by a certificated staff member (certified coach, certified athletic director, counselor or principal).

**HONORS**

High Honors (gold cord) is awarded to those graduating students who have a cumulative GPA of 3.5 or higher through the first term of the senior year. Honors (silver cord) is awarded to those graduating students who have a cumulative GPA of 3.2 or higher through the first term of the senior year and have taken advanced placement courses.

**VALEDICTORIAN AND SALUTATORIAN**

The student selected as valedictorian must meet the requirements for high honors and earned the highest cumulative high school GPA calculated through the third quarter of their senior year (9-12). The student selected as salutatorian must meet the requirements for high honors and earned the second highest cumulative high school GPA calculated through the third quarter of their senior year (9-12). To be
considered for valedictorian and salutatorian, the students must have attended Ocosta School District throughout their junior and senior years’.

NATIONAL HONOR SOCIETY

The National Honor Society is a national organization that recognizes students for their scholarship, character, service, and leadership achievements. Students are eligible for selection to the organization in the spring of their sophomore year, and/or fall semester of their junior and senior years if they have a 3.2 (or higher) cumulative grade point average. Before being considered for selection for membership, the Honor Society advisor will review possible applicants and distribute applications to those meeting the scholarship criteria. Approved individuals who wish to be considered for selection will be required to fill out an application. The fee for National Honor Society will be determined by officers and advisor annually.

WORLD CLASS SCHOLAR/COLLEGE BOUND SCHOLARSHIP

World Class Scholar is a $1500 scholarship to Grays Harbor Community College. You must maintain a 3.0 cumulative grade point average to be considered. Sign-ups for World Class Scholar begin in 7th grade and must be done by the end of the 8th grade year. Students are responsible for filling out and maintaining a World Class Scholar Portfolio. The College Bound Scholarship is an early commitment of state financial aid to eligible students. This scholarship is income based, and students must maintain a 2.0 cumulative grade point average to be considered. For questions on either program, students may contact the school counselor.

CHEATING AND PLAGIARISM

The Ocosta School District holds high academic expectations for all students. Students are expected to put forth their best efforts at all times and hold themselves and other students accountable for their work. Cheating not only damages the academic validity of the classroom, it deprives all students of a fair academic playing field. Cheating can take many forms, including: copying another student’s work, copying answers on an exam, using notes without permission, having a student take a test for you, or taking a test for another student, etc. Plagiarism is another form of cheating and is defined as the act of using or borrowing another writer’s words, ideas, or written work without properly identifying the source. Students are encouraged to seek their teacher’s guidance regarding any issue of this nature. Students who engage in cheating or plagiarism could receive a failing or lower grade for that item, loss of class credit, parent notification and/or disciplinary action.

STUDENT ACTIVITIES

ASSOCIATED STUDENT BODY (ASB)/ 2019-20 ASB OFFICERS

The Associated Student Body (ASB) provides for student activities, gives students a share in the management of the school, develops high standards for the student body and personal conduct, seeks to interest students in school affairs, and helps solve problems that may arise. Members of the council are elected and include a representative for each grade, as well as every club. Officers are elected in the spring prior to the school year they will serve.

President: Evalyn Marsh  Vice President: Emerson Hatton
Secretary: Natalie Cain  Treasurer: Ronni Graham

SPORTSMANSHIP

Ocosta has a well-established tradition of good sportsmanship. Each student is asked to help continue this tradition by regarding it as his/her responsibility to promote good sportsmanship by following these guidelines:

1. Be modest in victory and gracious in defeat.
2. Accept the decision of the officials as final.
3. Support your teams with enthusiasm.
4. Respect the rights of all spectators.
5. Consider the visiting team and fans as guests and treat them accordingly.

CO-CURRICULAR ACTIVITIES

All students are encouraged to participate in at least one sport, club, or activity of their choice. Students participating in athletic activities must meet the following: possess medical insurance, pass a physician’s physical exam, have purchased an ASB card, have no fines, and have all athletic/school registration paperwork turned in. High School Students must also meet the WIAA requirements to be eligible (there may be
different requirements for Jr High Students). ASB officers must meet these requirements with the exception of insurance and physical. If lack of funds limits participation by a student in a sport or activity, alternative arrangements may be discussed. Ocosta offers a variety of activities for both Junior High and High School. Below is the list of offered club and sports activities for the 2019-20 School year:

**DANCES**

Clubs and organizations may sponsor dances as an on campus social event or fund-raiser. Dances will be authorized only if all required procedures have been followed. Arrangement for advisors, chaperones, work crews, and financing must be made through the ASB Advisor before approval will be given. Junior High students (grades 7 & 8) and Senior High students (grades 9, 10, 11, and 12) will not be permitted to attend each other’s dances. Junior High dances are organized by advisors and are only for 7th and 8th grade students enrolled at Ocosta. No guests will be permitted. Each Ocosta High School student is limited to one guest for Homecoming, Tolo, and Prom. Guests must be age 20 or younger and at least enrolled in the 9th grade. A visitor’s pass must be completed, including all signatures, and turned in to the office by noon on the school date prior to the scheduled activity. Approved guests must agree to conform to the behavior standards established for students and must accompany the host student. Once students and/or guests leave a dance, they will not be allowed to re-enter.

**STUDENT ATTENDANCE**

**ATTENDANCE, ABSENCEs, TARDIES & EXCUSES**

All students are expected to be regular and punctual in attendance. Remaining out of school (for reasons other than illness, or when prior arrangements have been made and approved) will not be excused. According to Washington State Law “… no excuse (for absence) shall be deemed valid except that of sickness.” As per Ocosta District Policy 3122P, the following are deemed valid excuses for absences and tardies and missed work can be made up in the manner provided by the teacher(s).

1. **Participation in school approved activity:** To be excused this absence must be authorized by a staff member and the teacher(s) must be notified prior to the absence unless it is clearly impossible to do so.

2. **Absence due to illness, health condition, a family emergency, religious purposes:** When possible, the parent is expected to notify the school office on the morning of the absence and send a signed note of explanation with the student upon his/her return to school. A parent may request in advance that a student be excused from attending school in observance of a religious holiday. A student upon the request of his/her parent, may be excused for a portion of a school day to participate in religious instruction provided such is not conducted on school property. A student shall be allowed one makeup day for each day of absence.

3. **Absence for parental approved activities:** The category of absence shall be counted as excused for purposes agreed upon by the principal and the parent. An absenCe may not be approved if it causes serious adverse effect on the student’s educational progress. In participation-type classes (e.g. certain music and physical education classes) the student may not be able to achieve the objectives of the unit of instruction as a result of absence from class. In such case, a parent-approved absence would have an adverse effect on the student’s educational progress, which would ultimately be reflected in the grade for such a course.

4. **Absence resulting from disciplinary action or short-term suspension:** As required by law, students removed from a class or classes on short-term suspension shall have the right to make up assignments or exams missed.
ABSENCES
Notes or phone contact with parents are required for all absences and are the student’s responsibility. Absentee notes should be turned in to the attendance office. The attendance office is in room 111. **FAILURE TO PROVIDE A NOTE BY THE SECOND DAY A STUDENT HAS RETURNED TO SCHOOL WILL RESULT IN THE ABSENCE BEING TREATED AS A TRUANCY AND/OR UNEXCUSED ABSENCES. ALL ABSENCES WILL BE DOCUMENTED.** A kiosk is in the office for students to receive a pass when they come to school after classes are in session.

PROPER PROCEDURES FOR CHECKING IN & CHECKING OUT
Checking in – Must give a note to attendance office or parental contact by phone with office staff. You will be given an admit slip, so you may go to your class that is in session.

Checking out – When signing out, talk to the attendance office. You must have parent permission verified by the attendance office prior to checking out. DO NOT LEAVE UNDER ANY CIRCUMSTANCES WITHOUT HAVING A PARENT OR GUARDIAN WHO IS RESPONSIBLE FOR YOU BEING IN CONTACT WITH THE ATTENDANCE OFFICE. Failure to follow proper procedures will result in a truancy.

TARDIES
Punctual attendance to class is a necessary part of the student learning and success. Tardiness will not be tolerated because of the disruption it causes in the classroom situation. The following procedures have been adopted to ensure punctuality.

Students are allowed four minutes passing time between classes. Special permission may be granted to a student in the form of a hall pass. Teachers will record all students who are tardy to class. Teachers will inform the parent/guardian when a student has accumulated three tardies in a class per semester.

For each tardy after the third the student will be required to perform one after school detention. If the tardiness continues to be a problem, the Principal may increase discipline measures.

TRUANCIES
Attendance is important for academic success, and unexcused absences may be an early warning sign for unaddressed problems with school and future dropout. When youth fail to attend school, they are considered truant. Washington State’s truancy law, known as the Becca Bill, requires the school/district and the juvenile court to take specific actions when youth are truant.

Truancy will be a cause for disciplinary action, suspension or expulsion. A student is truant if he or she:

1. Leaves school without permission and signing out in the attendance office.
2. Is absent without the knowledge and consent of a parent.
3. Is absent from class without permission.
4. Obtains a pass to go to a certain place and does not report there.
5. Becomes ill and goes home or stays out of class without reporting to the office.
6. Comes to school but does not attend class.
7. Fails to attend a scheduled assembly.
8. Leaving campus at lunchtime without being on the off-campus privilege system.
9. Is absent from school after once arriving on campus without the knowledge and consent of the school.
10. Is not in assigned area when they are supposed to be.

1st Truancy/Unexcused Absence – 2 Days of Detention. Counsel with principal and parent/guardian contacted.

2nd Truancy – 2 Days of In School Suspension /parent contacted.

3rd Truancy – Short Term Suspension (1-9 days) and parent conference before allowed back in school.

4th Truancy – Long Term Suspension (10 or more days)

After five unexcused absences within a month or eight during a school year, the school district must file a petition with juvenile court alleging a violation.

BECCA BILL & Process
Washington State passed the “Becca Bill” (Senate Bill 5439, amended SHB 2449 June 2016, codified at RCW 28A.225), which requires children ages 6 to 17 enrolled in public schools to attend school Monday through Friday, unless there is a good reason for being absent, i.e., the parent or guardian must excuse the absence by notifying the school. When students miss school and the absence has not been excused, the student can be considered truant.

*The Becca Bill requires schools and school districts take the following actions:*
A. **One (1) unexcused absence.** The school must inform the parent/guardian when there is one unexcused absence. Attendance is posted on Skyward for students and parents to monitor. Contact is often done by a phone call home. **Please be sure your telephone number is current with the school district.**

B. **Two (2) unexcused absences.** After two unexcused absences, the school is required to request a conference with the parent/legal guardian and student to discuss the causes of the unexcused absences and solutions to prevent further absences.

C. **Five (5) unexcused absences within any month.** The school must enter into a written truancy agreement with the family, where the parent, student, and school agree on the necessary steps to resolve the student’s attendance problem. To do this, Ocosta Jr./Sr. High School will file a truancy petition as set forth in the Becca Bill, stay the petition, and refer the family to the Community Truancy Board for the opportunity to enter into a written truancy agreement, where the parent/guardian, student, and school agree on steps to resolve the attendance problem. If the family declines the referral or fails to comply with the agreement, the stay will be lifted and the petition will proceed in juvenile court.

D. **Seven (7) unexcused absences within any month or ten (10) unexcused absence in a school year.** If the Community Truancy Board process fails to assist the student in improving his or her attendance record, school districts are required to proceed in juvenile court with the petition to order the student to attend school.

Schools must send the student a notice of the truancy court petition by certified mail with return receipt or by in-person delivery. The petition includes many important dates and deadlines that must not be missed by the student and the family. A student and/or parents can be represented by a lawyer in truancy court. If a Truancy Order is entered and then violated by the Student, the court will call for a Contempt Hearing and the student could be ordered to do community service or spend time in juvenile detention. The parent/guardian may be fined up to $25 for each day of unexcused absence.

**TRUANCY BOARD**

Community Truancy Boards are composed of members of the local community. By agreement between the Juvenile Court and the Ocosta School District, the Ocosta Jr./Sr. High School has established a Community Truancy Board. The Community Truancy Board meets with the Student and Parent/Guardian to explore and recommend methods to improve the Student’s school attendance by exploring individual barriers—such as identifying supplementary services and exploring educational alternatives—to eliminate or lessen the Student’s absenteeism. Community Truancy Boards are an intervention by the Ocosta School District with the Student and Parent/Guardian to avoid the Student being referred to Juvenile Court and getting the Student the necessary assistance to thrive and succeed in school.

**ALtered DAY**

With an administrator’s approval, a student may be allowed to be off-campus for one or more periods. In order to be released during the school day on a permanent basis, students must be enrolled in a vocational program, the Running Start program at Grays Harbor College, or pre-assigned early release/late arrival by administration. For more information on the Running Start program, please see the high school counselor.

**ADVISORY**

Students will be assigned to a grade-level advisory class. Purposes for advisory include, but not limited to, updating and reviewing Individual Learning Plans, building portfolios, transcript and grade checks, grade level/class/club meetings and school wide assemblies. Advisory is also the time where students work on their High School and Beyond Planning which is a requirement for graduation. **Attendance in advisory is required.** Tardies and truancies are considered the same as in regular classes.

**STUDENT RIGHTS AND RESPONSIBILITIES**

**BUILDING AND GROUNDS CARE**

We are proud of our building and our campus. Together, we all help keep it clean and presentable at all times. The cooperation of every student is needed in this matter. We can keep our campus clean and presentable by putting all waste in the containers provided. Willful destruction or defacement of school property will result in disciplinary action, which may include suspension from school and the student held responsible for repayment of any expense incurred. We expect our school to look great years from now. This is possible if everyone helps!

**FEES**

The school district charges fees for certain items such as ASB cards, Annuals, and class supplies/fees. Any concerns regarding fees should be discussed with the principal.

- **Parking (non-refundable):** $25.00 (A $5.00 per day fine for unauthorized parking after the second week of school)
- **ASB Card:** $45.00
- **Annual:** $40.00 (Price may increase during the school year.)
- **Class Supplies/Fees:** As needed
LOCKERS

Lockers will be assigned to each student. Lockers are to be used to store student materials. In an effort to manage a safe and productive academic environment, backpacks and bags are to be left in student lockers. Students will bring the specific materials they will need for each class.

Students will be assigned a locker from the building registrar. It must be kept clean and locked. No writing on or sticky decal items will be allowed. Students could be held liable for any damage to lockers. Switching lockers will NOT be permitted without prior office approval. Students are responsible to keep lockers secure at all times and are discouraged from giving their combination to anyone else. Presetting combinations is prohibited. Open soda, juice, or other containers are not allowed to be kept in lockers. Lockers are owned by the Ocosta School District. Students have no expectation of privacy regarding items kept in school lockers, including gym lockers. School administration may conduct blanket or random searches of lockers without notice and without student/parent consent. In addition, the school principal or designee may conduct a reasonable search of a locker when there is suspicion that the locker contains contraband. Contraband involves illegal or unauthorized items, or any other items reasonably determined by the principal to be a potential threat to the safety of security of others. Students are solely responsible of the contents of their lockers.

BACKPACKS AND SPORT BAGS

In order to create a safe and productive academic environment, all backpacks and sport bags are to be kept in student lockers or stored with coaches. It is the expectation that students will bring necessary materials with them to each class.

NOTICE OF SEARCH AND INSPECTION

Students should be aware that their persons and personal property not stored in lockers (e.g. Pursues, back pack, vehicle, etc.) may be subject to search when school officials have reason to believe that weapons, drugs, alcohol, or any other items/materials evidencing a violation or school police/rule, or other laws are regulations are contained therein.

Our district has a contract with Northwest Interquest Detection Canines to conduct periodic inspection of our campus. These inspections will be carried out by a nationally certified canine handler.

These units are specially trained to find contraband items that include illegal drugs, gunpowder related items, alcohol, over-the-counter and prescription medications.

Student lockers, classrooms, locker rooms, athletic facilities, commons areas, vehicles, desks, backpacks and other articles that are on campus are subject to inspection.

All inspections will be conducted within the scope of the law and with the knowledge of the student.

SURVEILLANCE

Please understand that the interior and exterior of the school facilities may have mounted surveillance cameras that are capable of recording activities. Law enforcement agencies and/or school personnel, or their designee, may view recorded/live activities. Illegal activities or school violations, captured by the surveillance system, will be addressed by the appropriate agencies. Surveillance cameras are also installed on school buses. Video/audio recordings may be taking place within the school facilities/buses as well as on other school district property.

PUBLIC DISPLAYS OF AFFECTION (PDA)

Displays of affection, other than handholding are considered inappropriate. The Ocosta campus is not a place for overt displays of physical affection between students. Being overly affectionate distracts from the learning environment, and students should refrain from inappropriate, intimate behaviors on campus or school related events and activities. Students are expected to show good taste and conduct themselves respectfully, at all times, within school grounds. Ocosta does not approve of High School students dating Junior High students, and any romantic relationship on school grounds will be prohibited.

CELL PHONES AND TECHNOLOGICAL DEVICES

Students may possess cell phones and mobile devices on school grounds provided they do NOT pose a threat to academic integrity, disrupt the learning environment, or violate the privacy rights of others. Such devices may only be on and operated before and after the school day and during the lunch break, except during a school emergency or when authorized by a school administrator. Devices may be confiscated, if in the judgment of a staff member, a student has violated this policy (District Policy #3245). Students are responsible for any device brought to school and the District, employees and adult volunteers shall not be responsible for loss, damage or destruction of such devices. Confiscated devices will be turned in to the school office and will be returned to the student's parent/guardian by a school administrator or designee. All other electronics, cameras, etc. are not to be brought to school unless required for a class.

HALL CONDUCT

1. In order to maintain safe halls, running, punching, tripping, walking arm-in-arm, obstructing, etc., is not permitted.
2. No student should tamper with the lights, fire alarms, fire hoses, or any other equipment in the halls unless requested to do so by a faculty member. Students tampering with fire equipment will be dismissed from school and reported to the proper authorities.

3. Students passing through the halls during class periods should be as quiet as possible and avoid undue noise during lunch periods when classes are in session.

4. Any student in the halls while classes are in session must have a proper hall pass and/or staff permission.

**BUILDING RULES AND GUIDELINES**

**Ocosta Students:**

1. *Arrive to all classes and activities on time, ready to learn.* Students are required to be in their classroom/assigned seat prior to the tardy bell. At the end of each class period, students will be released by the teacher, not by the bell.

2. *Leave items which distract from the learning process at home such as mobile devices, headphones, sunglasses, laser pointers, etc.* Students may not have skateboards, scooters, etc. at school at any time.

3. *Demonstrate respect for other students, staff, visitors, school facilities, equipment, lockers, etc., at all times. Use of profanity or other inappropriate language and/or gestures is prohibited.*

4. *Material placed on the bulletin boards, or any signs put in the building or around campus must have prior approval from the office. Signs may only be posted in approved areas. Signs must display an end date.*

5. *Students are not to be out of class without written authorization. Students are to conduct personal business during free time (before or after school, lunch time, and/or passing time).*

6. *Remain in appropriate areas during the school day. This excludes parking lots, the elementary campus/grounds, the bus garage, and all other off-campus areas. Students are only allowed in school buildings or on school grounds when supervised by a staff member.*

7. *Keep all food and drink in designated areas. Clear sports bottles containing water only may be taken to classes unless prohibited by class rule. No other beverages are permitted in classroom/halls. This includes energy drinks, pop, sports drinks, and coffee/tea. No littering.*

8. *Obey the laws and regulations applicable for Washington Public School Students, including those outlined in the Ocosta Jr. /Sr. High Discipline Sanction Program. Ocosta Jr. /Sr. High School has a closed campus. All persons visiting the school must first check in at the office. Students are not allowed to have visitors during the school day as they often disrupt the educational process.*

9. *Under state regulations, school offices are not allowed to make or provide change for vending machines or other purposes. Students must have correct change as needed. Students are strongly advised not to bring large sums of money and/or valuables to school. The school will not be held responsible for lost or stolen items.*

10. *Those students turning eighteen may register to vote in the attendance office or online.*

11. *Propping open of doors is a violation of our safety program and is considered dangerous behavior.*

**CARS AND PARKING**

**PARKING LOTS**

The parking lots are off-limits during the school day (this measure is necessary to protect student vehicles.) Students must not leave books, lunches, and materials in vehicles, which would necessitate a return to the parking lot. Unauthorized presence in the parking lot may be considered a truancy.

**RULES AND REGULATIONS**

Each school year students who wish to drive to school are required to register their car(s). Driving to school and parking on campus is a privilege. To accommodate the number of people desiring to park on school property, the rules listed below have been established. Non-compliance with these rules may result in the loss of the privilege of driving to school and parking on campus:

1. All students must register their car(s) with the office, providing proof of license and insurance.

2. Students are to park in single parking space only in the areas not otherwise marked for staff or guests.

3. After registering their car(s), students are to display their campus parking passes. A nonrefundable fee of $25.00 will be charged for the permit.

4. Obey all posted rules and regulations regarding speed limits, fire lanes, no parking zones, curbs marked in yellow, or other prohibited areas. The elementary lot, driveway and entrance are not to be used by students. In addition, students and parents should be aware that violating these rules and regulations may result in cars being towed away and impounded at the owner’s expense.
5. Seniors who qualify for Off Campus Privilege will be allowed to leave campus during lunch. This program is instituted and revoked at the discretion of the principal/designee, based upon responsible use of the right to leave campus by students. All other students are not to leave campus (District policy #3242).

6. Vehicles parked on school property may be subject to search for prohibited items as defined in school policy. The driver of the vehicle will be considered the responsible party if contraband is found.

BUS RULES

1. Follow directions given by the Bus Driver and/or Aide.
2. Quiet, courteous behavior is required.
3. Violence and Bullying is NOT ALLOWED.
4. Stay seated at all times.
5. Get on and off the bus in a safe orderly manner.
6. Classroom rules apply on the bus and at the bus stop.

DRESS CODE

Students are expected to dress in a manner that is appropriate for school. Students are expected to follow reasonable levels of cleanliness and modesty. Clothing that promotes or displays profanity or sexual innuendo, promotes gang activity through letter or design, promotes alcohol, tobacco, or other drugs, or is otherwise disruptive to the learning process will be strictly prohibited. DRESS AND GROOMING MUST BE SAFE, PROVIDE APPROPRIATE COVERAGE, AND NOT CAUSE DISRUPTION TO THE LEARNING PROCESS.

Appropriate footwear must be worn. Bare feet, stocking feet, and slippers are not allowed. Students may not wear pajamas, tattered clothing, or clothing that does not provide appropriate coverage. Students who wear inappropriate jewelry or suggestive clothing that reveals undergarments or cleavage (for example, spaghetti straps, bare midriff, a halter top, a necklace with a marijuana leaf displayed, a t-shirt with a beer slogan, etc.) will be asked to change the clothing, remove the jewelry, or will be sent home. Parents may be called to bring appropriate clothing to school.

Students may wear hats provided they are worn appropriately and conform to the same standards as dress (i.e. no lewd, profane, violent, offensive, drug/alcohol or tobacco promotion messages, etc.) For identification purposes and/or safety reasons, hoods and bandanas may NOT be worn in the buildings during the school day.

PRIDE SYSTEM

One of the ways Ocosta Senior/Junior High School implements the Positive Behavior Intervention Systems (PBIS) is by promoting PRIDE. The goal of PBIS is to create a learning environment that is positive and encourages students to demonstrate behavior beneficial to learning. PRIDE stands for Preparedness, Responsibility and Integrity; Developing Citizenship, and Earning and Giving Respect. The staff at Ocosta has been working together to make consistent, clear, campus wide expectations under the PRIDE acronym. Students can refer to the PRIDE system guidelines that are posted around the school and in classrooms.

For more information about PBIS and what it looks like around the school, please talk to your student’s Advisory teacher or school principal.

CHARACTER STRONG

Character Strong is an organization that provides curricula and trainings for schools internationally. Our trainings help educators infuse character and social-emotional learning into the daily fabric of any classroom or campus. Our curricula focus on character development in order to help students cultivate social-emotional skills, their emotional intelligence, and help them develop a stronger identity and purpose in school and in the world. Ocosta Jr./Sr. High will be working with this curricula during advisory once each week.

CORRECTIVE ACTION PLAN

The board acknowledges that conduct and behavior is closely associated to learning. An effective instructional program requires a productive and orderly school environment. The board requires that each student adhere to the rules of conduct and submit to corrective action taken as a result of conduct violation. Compliance with all student conduct guidelines is mandatory. Special rules are also applicable while riding on a school bus.

Students are expected to:

1. Conform to reasonable standards of socially acceptable behavior;
2. Respect the rights, person and property of others;
3. Preserve the degree of order necessary for a positive climate for learning; and 4. Submit to the reasonable requests and directions of staff and respond accordingly.
It is the intent of our Corrective Action Plan to make discipline a part of the learning experience. Students should make positive choices to abide by the rules and accept consequences if the rules are not followed. Among the premises of the discipline plan are:

1. Discipline is not done to you; it is done in response to choices and actions you have made and is a learning opportunity.
2. In carrying out the plan, we will do our best to be firm, fair, and consistent while taking into account the particulars of the situation.
3. It is a student and parent responsibility to know and understand the discipline plan.
4. Compliance with all student conduct guidelines is mandatory.

In the classroom, staff has the responsibility to maintain order and ensure a positive learning environment. This includes redirecting students when unacceptable behavior occurs. The following guidelines are followed by staff:

1. The staff member will make every effort to help the student(s) get back on task and in turn, student(s) will respond appropriately.
2. The staff member may take corrective action; (i.e. detention, room cleaning, or short-term removal from the classroom and instructional area for all or any portion of the class). The student may be removed for/or up to two days, or until the Principal and teacher have conferred, whichever comes first. Note: Except in emergency circumstances, the teacher first must attempt one or more alternative forms of corrective action (RCW 28A.600.020).
3. The staff member may contact parents.
4. The staff member may consult with and/or refer the student to a counselor.
5. The staff member may refer the student to the principal with a referral.

The following rules and regulations apply during regular school hours, at school-sponsored activities either at home or away, while a student is on school district property, and while a student is under school jurisdiction, even if the student is truant. Since some of the following problem areas violate state law, school officials may need to notify law enforcement authorities. If this occurs, school officials will contact parents either by telephone or by certified mail. Any action the police authorities might take will be in addition to the action taken by the school. Certain acts will be cumulative in nature throughout each student’s education in Ocosta School District. These include: fighting, harassment, intimidation, bullying, theft, assault, gang activity, and drug or alcohol use/possession.

MINOR INFRACTIONS

There are numerous rules that when violated would not typically be considered exceptional misconduct. Examples include littering, no hall pass, minor disruptions (e.g., running or talking loudly in the hallway), public display of affection, violation of a classroom rule, and/or having pop or food outside of authorized areas. The following procedures will generally apply in cases of minor infractions:

First violation – Teacher/student conference. Teacher documents violation and action used to correct the student’s behavior.

Second Violation – Teacher administers corrective measure. Parent and administration notified. Teacher documents violation and action used to correct the student’s behavior.

Third Violation – Teacher refers the student to building principal or his/her designee for corrective action/discipline.

DETENTION

Students may be required to serve detention during lunch and/or after school for disciplinary reasons. This detention may be assigned by a specific teacher or school administrator. Parents will be notified prior to students serving after school detention and are responsible for transportation for students’ home. Students will normally be assigned to detention beginning the day after the infraction has occurred, or the day of, or another day through mutual agreement between school and parents. Detention is served from 2:50 to 3:40 P.M. Assigned school work or appropriate reading material is required at detention. Students who are late or fail to abide by the detention rules may not receive credit for the detention. Students will not be permitted to participate in extracurricular activities until their scheduled detention has been completed.

SATURDAY SCHOOL

Academic performance is a priority at Ocosta Jr./Sr. High School. Saturday School is an opportunity to catch up for students who are not completing work in a reasonable amount of time or failing classes. This is an attempt to keep students current in their coursework and be on track for graduation. It is also available for students to atone for attendance and behavioral issues without affecting in-class instructional time.

Saturday School allows for individual instruction as well as a quiet and structured work time for students to catch up. Saturday School will run for four hours from 8:00am-12:00pm, every other Saturday, beginning Saturday, February 8, 2020. Saturday School will be held in the Junior/Senior High School Library. Transportation must be arranged by families.

Saturday School will be assigned for the following academic behaviors:

1. Student is failing 2 or more classes.
2. Teacher recommendation due to a pattern of non-participation in class and/or lack of work completion.
3. Student does not follow the expectations in ISS/detention in relationship to work completion.
4. Excessive Tardiness (for each third tardy), Truancy or 1 day of unexcused absence.

The expectations of Saturday School are:
1. Students arrive no later than 8:00am, doors will lock at 8:01am and students who arrive late will not be let in or given credit for attending.
2. Students are to bring all their assignments, books, and any other needed materials.
3. Students are to work from 8:00am-12:00pm.
4. Students are to be picked up at 12:00pm.
   *Students who do not follow directions or show up for assigned Saturday School will be marked truant and have increased consequences assigned.

MAJOR INFRACTIONS

SUSPENSION FROM CLASSES
Disciplinary action resulting in a suspension from one or more classes could be either an IN SCHOOL or OUT OF SCHOOL SUSPENSION, depending upon the nature or seriousness of the infraction. Regardless of In-School or Out-of-School suspensions, any student who is suspended for more than one class period may not be eligible to participate or attend any school-sponsored extracurricular activity, either on campus or at away events involving Ocosta School District activities, during the day(s) of the suspension, including the weekends if the suspension covers that time period. Exceptions to this may only be granted by a school administrator.

DUE PROCESS OF LONG TERM SUSPENSION /EXPULSION
A. An individual’s constitutional rights assure the protection of due process of law. The essential elements of due process are:
   • Rules and regulations are necessary and must be reasonable.
   • Rules and regulations must be made available to students and their parents. An effort to report the negative behavior or irregular attendance of students shall be made by staff to parents.
   • Parents/guardians/students have the right to appeal Long Term Suspension/Expulsion decisions made by school personnel.

B. A copy of due process guidelines may be obtained in the high school office.

OCOSTA DISCIPLINE SANCTION PROGRAM
The following discipline sanction will be enforced during regular school hours and at any and all school sponsored activities at home or away. Compliance with standards of behavior is mandatory. In many instances described below, law enforcement agencies will be notified in addition to school consequences. The following comply with district policy and procedure 3241.

HEALTH SERVICES

HEALTH OFFICE PERSONNEL
A school nurse or health associate is assigned to the high school. Care of a sick child is the responsibility of the nurse or health associate, and they will decide whether a student should return to the classroom or be sent home. NO STUDENTS ARE TO LEAVE THE BUILDING WITHOUT PERMISSION OF THE NURSE, HEALTH ASSOCIATE, OR THE ADMINISTRATION. Students must sign out at the office even when going home due to illness. Parents are asked to have an emergency telephone number on file in the office for occasions when a child is ill, but the parents are not home.

POSSSESSION AND USE OF MEDICATION
The health staff must know what medication the student is taking in the event the student has a reaction. A medical provider’s order and parent/guardian authorization is required for all prescription and over-the-counter medication given or taken at school. All medications are to be kept in the health office. In exceptional circumstances, prescription medication such as inhalers, insulin, and some approved emergency medications may be carried by the student with parent/guardian permission. Students may never have possession of controlled substances in the school building.

Emergency medications need to be coordinated with health office staff. Injections may be administered by the student, the parent, school nurse or trained designated staff members. In high school, students may carry non-prescription medication. Students may never give another student prescription or non-prescription medication.

Medication is stored in a locked cabinet and distributed only by the nurse or designee. All medication must be in the original container with the following information: name of student, name of medication, directions including dosage, times, duration, name, phone number, and address of the pharmacy, date of the prescription and name of the medical prescriber. It is the responsibility of the parent/guardian to ensure medication is current and replaced prior to the expiration date.

- **Non-Prescribed Medication:** Written authorization shall be required for non-prescribed medication. Non-prescribed medication needs to be stored in the health office.
- **Glucagon Injections:** If a student requires administration of Glucagon in an emergency diabetic attack, school personnel will call 911. Glucagon will be provided by the student’s parents/guardians and school personnel other than the school nurse may administer Glucagon injections only in emergency situations if they have a Parent Designated Adult form on file.
- **Insulin Injections:** If a student requires insulin injections during the school day, the student or the parents/guardians, or Parent Designated Adult will be responsible for administration.
- **Epi-Pen Injections:** Epi-Pen injections may be given by a school nurse or staff trained to administer such injections. An emergency medical unit and parents/guardians will be called.
- **Inhalers:** Inhalers may be kept with the student. Orders from the medical provider and a note from the parent/guardian must be turned into the nurse with the name of the drug and the frequency of use on or before the first day of school.

STUDENT ILLNESS, INJURY, OR MEDICAL EMERGENCY
A student who becomes ill or is injured at school must notify his/her teacher or another employee as soon as possible. The student will be sent to the health office during regular school hours. In the case of a serious illness or injury, the school shall attempt to notify the parents/guardians according to the information provided on the emergency form. If the student is too ill to remain in school, the student is released to the student’s parents/guardians or, with parental permission, to another person directed by the parents. While the school district is not responsible for treating medical emergencies, employees may administer emergency or minor first aid, if possible. The school contacts emergency medical personnel, if necessary, and attempts to notify the parents/guardians that the student has been transported for treatment.

Students diagnosed with asthma or severe allergies and taking medication for their condition will be required to have a school asthma/anaphylaxis action plan completed by their medical provider on or before the first day of school. If a student does not have an asthma/anaphylaxis plan and experiences life-threatening asthma or anaphylaxis, emergency medical services will be summoned.

COMMUNICABLE AND INFECTIOUS DISEASES
Students who have an infectious or communicable disease are allowed to attend school as long as they are able to do so, and their presence does not pose an unreasonable risk of harm to themselves or does not create a substantial risk of illness or transmission to other students or employees. If there is a question about whether a student should continue to attend classes, the student shall not attend class or participate in school activities without his/her personal physician’s approval. Infectious or communicable diseases include, but are not limited to mumps, measles, and chicken pox. The school nurse/health associate has the right/responsibility to inspect and if need be send a student home.

PHYSICAL AND DENTAL EXAMINATIONS
Parents/Guardians are encouraged to have their children receive periodic physical examinations. Each year, prior to the start of any sport, participating athletes are required to provide a school district physical examination form signed by the student’s doctor stating that the
student is physically fit to perform in athletics. Failure to provide proof of a physical examination makes the student ineligible until the completed physical exam form is turned into the Athletic Director’s office. Students who cannot afford the cost of the physical examination should contact the Athletic Director and/or the coach of their sport.

**EMERGENCY DRILLS**

Periodically the school conducts emergency drills. These could include fire, shelter in place, tsunami, earthquake, and/or lockdown drills. At the beginning of the first drill, the principal will use the PA system to instruct students and faculty in the correct procedures to follow. Emergency procedures and proper exit areas are posted in all rooms. Students are expected to remain quiet and orderly during a drill or emergency. Students who pull the fire alarm or call in false alarms, in addition to being disciplined under the school district’s policies, rules, and regulations, may be reported to law enforcement officials.

**TOBACCO, DRUG, AND ALCOHOL USE**

Tobacco possession and use, including chewing tobacco and e-cigarettes, is strictly prohibited.

As directed by Washington State Law, use of tobacco products on school premises is not permitted. The holding of a cigarette or other tobacco products will be considered the same as using. Lighters and matches are also not permitted on campus. (RCW 40 28A.210.310 (2) and RCW 70.155.080) Being under the influence of drugs and/or alcohol, and the actual sale, use, possession or distribution of alcohol, drugs, drug paraphernalia, and counterfeit drugs while on school grounds is illegal and strictly prohibited.

Use of Tobacco and Nicotine Products and Delivery Devices (Policy No. 4215) The board of directors recognizes that to protect students from exposure to the addictive substance of nicotine, employees and officers of the school district, and all members of the community, have an obligation as role models to refrain from use of tobacco products and delivery devices on school property at all times. Tobacco products and delivery devices include, but are not limited to cigarettes, cigars, snuff, smoking tobacco, smokeless tobacco, nicotine, electronic smoking/vapor devices, “vapor pens,” non-prescribed inhalers, nicotine delivery devices, or chemicals that are not FDA-approved to help people quit using tobacco, devices that produce the same flavor or physical effect of nicotine substances and any other smoking equipment device, material or innovation.

Any use of such products and delivery devices by staff, students, visitors or community members will be prohibited on school district property. Possession by, or distribution of tobacco products to minors is prohibited. This will include all district buildings, grounds and district-owned vehicles.

The use of Federal Drug Administration (FDA) approved nicotine replacement therapy in the form of a nicotine patch, gum or lozenge is permitted. However, students and employees must follow applicable policies regarding use of medication at school. Violation of this policy will be subject to disciplinary action.

*Student use of authorized medication must occur in accordance to school policies.*

**REGULATION OF DANGEROUS WEAPONS ON SCHOOL PREMISES**

It is a violation of district policy and state law for any person to carry a firearm or dangerous weapon on school premises, school-provided transportation or areas of other facilities being used exclusively for school activities, unless specifically authorized by state law. Carrying a dangerous weapon onto school premises, school-provided transportation, or in areas of other facilities being used exclusively for school activities in violation of RCW 9.41.280 is a criminal offense.

The superintendent is directed to see that all school facilities post “Gun-Free Zone” signs, and that all violations of this policy and RCW 9.41.280 are reported annually to the superintendent of Public Instruction.

**DANGEROUS WEAPONS**

The term “dangerous weapons” under state law includes:

- Any firearm
- Any device commonly known as “nun-chu-ka sticks,” consisting of two or more length of wood, metal, plastic, or similar substance connected with wire, rope, or other means
- Any device, commonly known as “throwing stars,” which are multi-pointed, metal objects designed to embed upon impact from any aspect
- Any air gun, including any air pistol or air rifle, designed to propel a BB, pellet, or other projectile by the discharge of compressed air, carbon dioxide, or other gas
- Any portable device manufactured to function as a weapon and which is commonly known as a stun gun, including a projectile stun gun which projects wired probes that are attached to the device that emit an electrical charge designed to administer to a person or an animal an electric shock, charge, or impulse
- Any device, object, or instrument which is used or intended to be used as a weapon with the intent to injure a person by an electric shock, charge, or impulse. The following instruments:
  - Any dirk or dagger
• Any knife with a blade longer than three inches. Any knife with a blade which is automatically released by a spring mechanism or other mechanical device. Any knife having a blade which opens, or falls or is ejected into position by the force of gravity, or by outward, downward, or centrifugal thrust or movement; and/or any razor with an unguarded blade

• Any slung shot, sandbag, or sand club

• Metal knuckles

• A sling shot

• Any explosive

In addition, the District considers the following weapons in violation of this policy:

• Any knife or razor not listed above, except for instruments authorized or provided for specific school activities

• Any object other than those listed above which is used in a manner to intimidate, threaten, or injure another person and is capable of easily and readily producing such injury

REPORTING DANGEROUS WEAPONS

An appropriate school authority will promptly notify the student’s parents or guardians and the appropriate law enforcement agency of known or suspected violations of this policy. Students who violate this policy will be subject to discipline. Students who have possessed a firearm on any school premises, school provided transportation, or school-sponsored activities at any facility shall be expelled for not less than one year pursuant to RCW 28A.600.420. The superintendent may modify the one-year expulsion for a firearm on a case-by-case basis.

The district may also suspend or expel a student for up to one year if the student acts with malice (as defined under RCW 9A.04.110) and displays a device that appears to be a firearm.

No expulsion under RCW 28A.600.420 prevents the district from continuing to provide educational services in an alternative educational setting in compliance with RCW 28A.600.015. Any alternative setting should be comparable, equitable, and appropriate to the regular education services a student would have received without the exclusionary discipline. Example alternative settings include one-on-one tutoring and online learning.

Exceptions to State Law and this Policy

The following persons may carry firearms into school buildings, as necessary, although students engaged in these activities are restricted to the possession of rifles on school premises:

A. Persons engaged in military, law enforcement, or school district security activities

B. Persons involved in a school authorized convention, showing, demonstration, lecture or firearm safety course

C. Persons competing in school authorized firearm or air gun competitions. Any federal, state or local law enforcement officer

The following persons over eighteen years of age and not enrolled as students may have firearms in their possession on school property outside of school buildings:

A. Persons with concealed weapons permits issued pursuant to RCW 9.41.070 who are picking up or dropping off students and

B. Persons conducting legitimate business at the school and in lawful possession of a firearm or dangerous weapon if the weapon is secured within an attended vehicle, is unloaded and secured in a vehicle, or is concealed from view in a locked, unattended vehicle.

Persons may bring dangerous weapons, other than firearms, onto school premises if the weapons are lawfully within the person’s possession and are to be used in a school-authorized martial arts class.

Personal Protection Spray

Persons over eighteen years of age and persons between fourteen and eighteen years of age with written parental or guardian permission may possess personal protection spray devices on school property. No one under eighteen years of age may deliver such devices, nor may anyone eighteen years or older deliver a spray device to anyone under fourteen or to anyone between fourteen and eighteen who does not have parental permission.

Personal protection spray devices may not be used other than in self-defense as defined by state law. Possession, transmission or use of personal protection spray devices under any other circumstances is a violation of district policy.

School officials shall notify the student’s parents or guardians and the appropriate law enforcement agency of known or suspected violations of this policy. Students who violate this policy shall be subject to discipline, including a one-year expulsion for a violation involving a firearm. However, the superintendent may modify the one-year expulsion on a case-by-case basis.
HARASSMENT, SEXUAL HARRASSMENT, TEASING, OR BULLYING

Harassment, bullying, and abuse are violations of school district policies, rules and regulations and, in some cases, may also be a violation of criminal or other laws. The school district has the authority to report students violating this rule to law enforcement officials. Anti-harassment/bullying complaint forms can be obtained in both the counseling and main offices.

Students who feel that they have been harassed or bullied should:

• Communicate to the harasser or bully that the student expects the behavior to stop, if the student is comfortable doing so. If the student needs assistance communicating with the harasser or bully, the student should ask a teacher, counselor, or principal to help.
• If the harassment or bullying does not stop, or the student does not feel comfortable confronting the harasser or bully, the student should:
  o Tell a teacher, counselor, or principal
  o Write down exactly what happened, keep a copy, and give another copy to the teacher, counselor, or principal including what, when, and where it happened, who was involved, exactly what was said or what the harasser or bully did, witnesses to the harassment or bullying, what the student said or did (either at the time or later), how the student felt, and how the harasser or bully responded.

Harassment is verbal (either in person or online) or physical conduct that is designed to embarrass, distress, agitate, disturb, or trouble persons on the basis of age, color, creed, national origin, race, religion, marital status, sex, sexual preference, political belief, socioeconomic status, or familial status.

Harassment will not be tolerated. Harassing, dissenting, outing, tricking, excluding, and cyber stalking are all examples of harassment. Do not send emails or post comments with the intent of scaring, hurting, or intimidating someone else. Engaging in these behaviors, or any online activities intended to harm (physically or emotionally) another person, will result in severe disciplinary action and loss of privileges. In some cases, harassment can be a crime. Network activity can be monitored and retained indefinitely.

Sexual harassment may include unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature. Sexual harassment includes, but is not limited to;

• Verbal, physical, or written harassment or abuse
• Pressure for sexual activity
• Repeated remarks to a person with sexual or demeaning implications
• Suggesting or demanding sexual involvement, accompanied by implied or explicit threats.

Unacceptable teasing includes spreading rumors or gossip, ridicule, verbal abuse, public shunning or private humiliation and embarrassment.

Bullying occurs when there are three characteristics present.

1. There is a pattern of negative behaviors established, often including repeated aggression.
2. The behavior is a deliberate intent to harm or disturb the target/victim.
3. An imbalance of power is established. An imbalance of power occurs when a person feels threatened by someone’s words or actions and their perception is that they won’t be able to protect themselves.

Harassment, sexual harassment, teasing, and bullying behaviors all can interfere with our learning environment and we have a zero tolerance for them.

ELECTRONIC RESOURCES AND INTERNET SAFETY

K-20 NETWORK ACCEPTABLE USE GUIDELINES/INTERNET SAFETY REQUIREMENTS

These procedures are written to support the Electronic Resources Policy of the Board of Directors and to promote positive and effective digital citizenship among students and staff. Digital citizenship includes the norms of appropriate, responsible, and healthy behavior related to current technology use. Successful, technologically-fluent digital citizens recognize and value the rights, responsibilities, and opportunities of living,
learning, and working in an interconnected digital world. They cultivate and manage their digital identity and reputation and are aware of the permanence of their actions in the digital world. Expectations for student and staff behavior online are no different than face-to-face interactions.

**USE OF PERSONAL ELECTRONIC DEVICES**

In accordance with all district policies and procedures, students and staff may use personal electronic devices (e.g., laptops, mobile devices and e-readers) to further the educational and research mission of the district. School staff will retain the final authority in deciding when and how students may use personal electronic devices on school grounds and during the school day. Absent a specific and articulated need (e.g. assistive technology), students do not have an absolute right to possess or use personal electronic devices at school.

**NETWORK**

The district network includes wired and wireless devices and peripheral equipment, files and storage, email and Internet content (blogs, websites, collaboration software, social networking sites, wikis, etc.). The district reserves the right to prioritize the use of, and access to, the network.

All use of the network must support education and research and be consistent with the mission of the district.

**Acceptable network use by district students and staff includes:**

A. Creation of files, digital projects, videos, web pages and podcasts using network resources in support of education and research;
B. Participation in blogs, wikis, bulletin boards, social networking sites and groups, and the creation of content for podcasts, e-mail and web pages that support education and research;
C. With parental permission, the online publication of original educational material, curriculum related materials, and student work. Sources outside the classroom or school must be cited appropriately;
D. Staff use of the network for incidental personal use in accordance with all district policies and procedures.

**Unacceptable network use by district students and staff includes but is not limited to:**

A. Personal gain, commercial solicitation and compensation of any kind;
B. Actions that result in liability or cost incurred by the district;
C. Downloading, installing and use of games, audio files, video files, games or other applications (including shareware or freeware) without permission or approval from the IT director;
D. Support for or opposition to ballot measures, candidates and any other political activity;
E. Hacking, cracking, vandalizing, the introduction of malware, including viruses, worms, Trojan horses, time bombs, and changes to hardware, software, and monitoring tools;
F. Unauthorized access to other district computers, networks and information systems;
G. Action constituting harassment, intimidation or bullying, including cyberbullying, hate mail, defamation, discriminatory jokes, and remarks. This may also include the manufacture, distribution, or possession of inappropriate digital images;
H. Information posted, sent or stored online that could endanger others (e.g., bomb construction, drug manufacturing);
I. Accessing, uploading, downloading, storage and distribution of obscene, pornographic or sexually explicit material; or
J. Attaching unauthorized devices to the district network. Any such device will be confiscated, and additional disciplinary action may be taken.
K. Any unlawful use of the district network, including but not limited to stalking, blackmail, violation of copyright laws, and fraud.

The district will not be responsible for any damages suffered by any user, including but not limited to, loss of data resulting from delays, non-deliveries, mis-deliveries or service interruptions caused by his/her own negligence or any other errors or omissions. The district will not be responsible for unauthorized financial obligations resulting from the use of, or access to, the district’s computer network or the Internet.

**INTERNET SAFETY**

**Personal Information and Inappropriate Content:**

A. Students and staff should not reveal personal information, including a home address and phone number, on web sites, blogs, podcasts, videos, social networking sites, wikis, e-mail or as content on any other electronic medium.
B. Students and staff should not reveal personal information about another individual on any electronic medium.
C. No student pictures or names can be published on any public class, school or district web site unless the appropriate permission has been obtained according to district practice; and
D. If students encounter dangerous or inappropriate information or messages, they should notify the appropriate school authority.
E. Students should be aware of the persistence of their digital information, including images and social media activity, which may remain on the Internet indefinitely.

FILTERING AND MONITORING
Filtering software is used to block or filter access to visual depictions that are obscene and all child pornography in accordance with the Children's Internet Protection Act (CIPA). Other objectionable material could be filtered. The determination of what constitutes “other objectionable” material is a local decision.

A. Filtering software is not 100% effective. While filters make it more difficult for objectionable material to be received or accessed, filters are not a solution in themselves. Every user must take responsibility for his or her use of the network and Internet and avoid objectionable sites;
B. Any attempts to defeat or bypass the district’s Internet filter or conceal Internet activity are prohibited: proxies, https, special ports, modifications to district browser settings, and any other techniques designed to evade filtering or enable the publication of inappropriate content;
C. E-mail inconsistent with the educational and research mission of the district will be considered SPAM and blocked from entering district e-mail boxes;
D. The district will provide appropriate adult supervision of Internet use. The first line of defense in controlling access by minors to inappropriate material on the Internet is deliberate and consistent monitoring of student access to district computers;
E. Staff members who supervise students, control electronic equipment, or have occasion to observe student use of said equipment online, must make a reasonable effort to monitor the use of this equipment to assure that student use conforms to the mission and goals of the district; and
F. Staff must make a reasonable effort to become familiar with the Internet and to monitor, instruct, and assist effectively.
G. The district may monitor student use of the district network, including when accessed on students’ personal electronic devices and devices provided by the district, such as laptops, netbooks, and tablets.

INTERNET SAFETY INSTRUCTION
All students will be educated about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, and cyber bullying awareness and response.

A. Age appropriate materials will be made available for use across grade levels,
B. Training on online safety issues and materials implementation will be made available for administration, staff, and families.

COPYRIGHT
Downloading, copying, duplicating, and distributing software, music, sound files, movies, images, or other copyrighted materials without the specific written permission of the copyright owner is generally prohibited. However, the duplication and distribution of materials for educational purposes are permitted when such duplication and distribution fall within the Fair Use Doctrine of the United States Copyright Law (Title 17, USC) and content is cited appropriately.

 OWNERSHIP OF WORK
All work completed by employees as part of their employment will be considered property of the district. The District will own any and all rights to such work, including any and all derivative works unless there is a written agreement to the contrary.

All work completed by students as part of the regular instructional program is owned by the student as soon as it is created, unless such work is created while the student is acting as an employee of the school system or unless such work has been paid for under a written agreement with the school system. If under an agreement with the district, the work will be considered the property of the district. Staff members must obtain a student’s permission prior to distributing his/her work to parties outside the school.

NETWORK SECURITY AND PRIVACY
Network Security
Passwords are the first level of security for a user account. System logins and accounts are to be used only by the authorized owner of the account for authorized district purposes. Students and staff are responsible for all activity on their account and must not share their account password.

The following procedures are designed to safeguard network user accounts:
A. Change passwords according to district practice;
B. Do not use another user’s account;
C. Do not insert passwords into e-mail or other communications;
D. If you write down your user account password, keep it in a secure location;
E. Do not store passwords in a file without encryption;
F. Do not use the “remember password” feature of Internet browsers; and
G. Lock the screen, or log off, if leaving the computer.

STUDENT DATA IS CONFIDENTIAL
District staff must maintain the confidentiality of student data in accordance with the Family Educational Rights and Privacy Act (FERPA).

NO EXPECTATION OF PRIVACY
The district provides the network system, e-mail, and Internet access as a tool for education and research in support of the district’s mission. The district reserves the right to monitor, inspect, copy, review and store, without prior notice, information about the content and usage of:

A. The district network, including when accessed on students’ personal electronic devices and on devices provided by the district, such as laptops, netbooks, and tablets;
B. User files and disk space utilization;
C. User applications and bandwidth utilization;
D. User document files, folders and electronic communications;
E. E-mail;
F. Internet access; and
G. Any and all information transmitted or received in connection with network and e-mail use.

No student or staff user should have any expectation of privacy when using the district’s network. The district reserves the right to disclose any electronic messages to law enforcement officials or third parties as appropriate. All documents are subject to the public records disclosure laws of the State of Washington.

EDUCATIONAL APPLICATIONS AND PROGRAMS
District staff may request students to download or sign up for applications or programs on the students’ personal electronic devices. Such applications and programs are designed to help facilitate lectures, student assessment, communication, and teacher-student feedback, among other things.

Prior to requesting students to download or sign up for educational applications or programs, staff will review “terms of use,” “terms of service,” and/or “privacy policy” of each application or program to ensure that it will not compromise students’ personally identifiable information, safety, and privacy. Staff will also provide notice in writing of potential use of any educational application or program to the IT Director and Building Principal, including the anticipated purpose of such application or program. Specific expectations of use will be reviewed with students. Staff should also, as appropriate, provide notice to students’ parents/guardians that the staff person has requested that students download or sign up for an application or program, including a brief statement on the purpose of application or program.

ARCHIVE AND BACKUP
Backup is made of all district e-mail correspondence for purposes of public disclosure and disaster recovery. Barring power outage or intermittent technical issues, staff and student files are backed up on district servers regularly. Refer to the district retention policy for specific records retention requirements.

DISCIPLINARY ACTION
All users of the district’s electronic resources are required to comply with the district’s policy and procedures [and agree to abide by the provisions set forth in the district’s user agreement]. Violation of any of the conditions of use explained in the (district’s user agreement), Electronic Resources policy or in these procedures could be cause for disciplinary action up to and including suspension or revocation of network and computer access privileges.

ACCESSIBILITY OF ELECTRONIC RESOURCES
Federal law prohibits people, on the basis of disability (such as seeing and hearing impairments), from being excluded from participation in, being denied the benefits of, or otherwise being subjected to discrimination by the district. To ensure that individuals with disabilities have equal access to district programs, activities, and services, the content and functionality of websites associated with the district should be accessible. Such websites may include, but are not limited to, the district’s homepage, teacher websites, district-operated social media pages, and online class lectures.
District staff with authority to create or modify website content or functionality associated with the district will take reasonable measures to ensure that such content or functionality is accessible to individuals with disabilities. Any such staff member with questions about how to comply with this requirement should consult with the IT Director and Special Education Director.

FEDERAL NOTICES

Annual notification to the public
This page contains the mandatory notices that we are required to publish every year. Please take the time to read them and call your school at 268-9125 if you have any questions.

Asbestos notification
As a part of the Asbestos Hazard Emergency Response Act (AHERA) the EPA Federal Register stipulates under 40 CFR, Part 773.84, that school districts ensure that workers and building occupants, or their legal guardians, be informed each year about the existence of the district's Asbestos Management Plan which outlines inspections, response actions and post-response action activities, including periodic re-inspection and regular surveillance activities. A copy of the Asbestos Management Plan is available for your inspection in our administrative offices during regular office hours by appointment. The Ocosta School District is intent on complying with federal, state and local regulations in environment in which to learn and work.

Canine inspections
As per board policy 3250, students should be aware that their persons and personal property not stored in lockers (e.g. purses, backpacks, vehicles, etc.) may be subject to search when school officials have reason to believe that weapons, drugs, alcohol, or any other items/materials evidencing a violation of school policy/rule, or other laws or regulations that are contained therein. Our district has a contract with Northwest Interquest Detection Canines to conduct periodic inspection of our campus. These inspections will be carried out by a nationally certified canine handler. These units are specially trained to find contraband items that include illegal drugs, gunpowder related items, alcohol, over-the-counter, and prescription medications. Student lockers, classrooms, locker rooms, athletic facilities, commons areas, vehicles, desks, backpacks, and other articles that are on campus are subject to inspection. All inspections will be conducted within the scope of the law and with the knowledge of the student. Vehicles parked on school property may be subject to search for prohibited items as defined in school policy. The driver of the vehicle will be considered the responsible party if contraband is found.

Complaint options: discrimination and sexual harassment
If you believe that you or your child have experienced unlawful discrimination, discriminatory harassment, or sexual harassment at school, you have the right to file a complaint. Before filing a complaint, you can discuss your concerns with your child’s principal or with the school district’s Section 504 Coordinator, Title IX Officer, or Civil Rights Coordinator, who is listed above. This is often the fastest way to resolve your concerns.

Complaint to the School District
Step 1: Write Out Your Complaint
In most cases, complaints must be filed within one year from the date of the incident or conduct that is the subject of the complaint. A complaint must be in writing. Be sure to describe the conduct or incident, explain why you believe discrimination, discriminatory harassment, or sexual harassment has taken place, and describe what actions you believe the district should take to resolve the problem. Send your written complaint by mail, fax, email, or hand delivery to the district superintendent or civil rights compliance coordinator.

Step 2: School District Investigates Your Complaint
Once the district receives your written complaint, the coordinator will give you a copy of the complaint procedure and make sure a prompt and thorough investigation takes place. The superintendent or designee will respond to you in writing within 30 calendar days, unless you agree on a different time period. If your complaint involves exceptional circumstances that demand a lengthier investigation, the district will notify you in writing to explain why staff need a time extension and the new date for their written response.

Step 3: School District Responds to Your Complaint
In its written response, the district will include a summary of the results of the investigation, a determination of whether or not the district failed to comply with civil rights laws, notification that you can appeal this determination, and any measures necessary to
bring the district into compliance with civil rights laws. Corrective measures will be put into effect within 30 calendar days after this written response, unless you agree to a different time period.

Appeal to the School District
If you disagree with the school district’s decision, you may appeal to the school district’s board of directors. You must file a notice of appeal in writing to the secretary of the school board within 10 calendar days after you received the school district’s response to your complaint. The school board will schedule a hearing within 20 calendar days after they received your appeal, unless you agree on a different timeline. The school board will send you a written decision within 30 calendar days after the district received your notice of appeal. The school board’s decision will include information about how to file a complaint with the Office of Superintendent of Public Instruction (OSPI).

Complaint to OSPI
If you do not agree with the school district’s appeal decision, state law provides the option to file a formal complaint with the Office of Superintendent of Public Instruction (OSPI). This is a separate complaint process that can take place if one of these two conditions has occurred: (1) you have completed the district’s complaint and appeal process, or (2) the district has not followed the complaint and appeal process correctly.

You have 20 calendar days to file a complaint to OSPI from the day you received the decision on your appeal. You can send your written complaint to the Equity and Civil Rights Office at OSPI:

The district will not release directory information for commercial reasons. The district has designated the following as directory information: the student's name, home address, photographs, telephone number(s), date of birth, parent/guardian names, grade level, dates of enrollment (dates of attendance/recent or previous schools), student ID, network user ID, student and parent/guardian e-mail addresses, degrees and awards received, participation in officially recognized activities and sports, and weight and height of members of athletic teams. An investigation will be carried out immediately.
The Ocosta School District encourages students, parents, and employees to work together to prevent acts of harassment of any kind by fostering a climate of mutual respect for others. Counseling and educational resources are available for students who are harassed as well as for students who have engaged in acts of harassment based on sex, race, or disability.
If a student or employee is found to have engaged in acts of harassment, he/she will be disciplined. Discipline may include various remedies, up to or including suspension or expulsion of students and termination of employment for employees. The school district will not tolerate retaliation for reporting harassment and will take steps to protect those who wish to report harassment anonymously or confidentially. Nor will it tolerate false reports.

OSPI's written citizen's complaint procedure
Citizens have the right to file complaints regarding violations of federal statutes or regulations that apply to Title I, Part A programs. More information about this process can be requested by contacting Kurt Hilyard, Superintendent at 268-9125 x1001 or be found at http://www.ocosta.org.

Parent involvement policy
Each year, schools receiving Title I, Part A funds are required to notify parents and the community of our written parental involvement policy. The School/District Parent Involvement Policy is mailed home in August each year. Another copy can be requested by contacting Jessica Todd at 268-9125 x2004 or found at http://www.ocosta.org under district policy 4130.

Pesticide and Herbicides Control
Pesticide and herbicides are periodically used on school premises: signs will be posted during the period of the application. Roundup is usually used during the first week of April and August when no students are attending classes. For information, contact Steve Schmeling at 268-9125 ext. 1008.

Progress review
Each year, schools receiving Title I, Part A funds are required to communicate their progress to their parents. This is sent home to parents every January.

Prohibition of harassment, intimidations, and bullying
The Ocosta School District strives to provide students with optimal conditions for learning by maintaining a school environment where everyone is treated with respect and no one is physical or emotionally harmed. In order to ensure respect and prevent harm, it is a violation of district policy and procedure 3207 for a student to be harassed intimidated, or bullied by others in the school community, at school sponsored events, or when such actions create a substantial disruption to the educational process. The school community includes all students, school employees, school board members, contracts, unpaid volunteers, families, patrons and other visitors. Student(s) will not be harassed because of their race, color, religion, ancestry, national origin, gender, sexual orientation, including gender expression or identify, mental or physical disability, or other distinguishing characteristics.

State requires school attendance
By state statute we are required to inform you that, in the State of Washington, the parents of any child at least 8 years of age and under 18 years of age must send such child to attend the public schools of the district in which the child resides. Exceptions to this are a) Children released by the resident district to attend another public or approved private school; b) Children receiving home-based instruction; c) Children who have been excused from attending school by the school district superintendent because they are physically or mentally unable to attend school. See Student/Parent Handbook for more information regarding attendance/truancy.

Student pictures and videos in school
Ocosta School District likes to celebrate student success and activities by including pictures of students in publications, broadcasts and on the district web page. If you do not want your child's pictures taken, please submit that request in writing to your school principal or the District Office. This request will be applicable for the entire 2019-2020 school year.

Title I: parents right to know
As a district that receives Title I funding, we must meet some new federal rules. These rules allow you to learn more about your child's teacher's training and credentials. At any time, feel free to ask the following:
Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching;
Whether the teacher received an emergency or conditional certificate through which state qualifications were waived; and
What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You can also ask about paraprofessionals working with your child. We can tell you whether your child receives help from a paraprofessional and whether he/she meets state qualifications and/or licensing requirements.

Our staff is committed to helping your child develop the academic knowledge and critical thinking skills he/she needs to succeed in school and in life. That commitment includes making sure that all of our teachers and paraprofessionals are highly qualified.

If you have any questions about your child's assignment to a teacher or paraprofessional, please contact Principal Dr. Cindy Risher at 268-9125 x2001 or Principal Christopher Pollard at 268-9125 x3001.

Tobacco, substance abuse, and dangerous weapons policies

The use of tobacco products on public school property, including buildings, grounds and vehicles is prohibited. The sale, possession or use of an alcoholic beverage, illegal substances or substances purported to be drugs on school grounds or in a reasonable proximity thereto, or at school sponsored events is strictly prohibited. Violators are subject to suspension and/or expulsion. Also, it is a violation of district policy and state law for any person to carry a firearm or dangerous weapon on school premises, school-provided transportation, or areas of other facilities being used exclusively for school activities. Violators of the weapons policy will be expelled for a minimum of one year, will be reported to law enforcement, and parent/guardian will be notified. The superintendent of the school district may modify the expulsion of a student on a case-by-case basis through a formal appeal process.

Video cameras/audio recording/surveillance

Please understand video/audio recordings may be taking place within the school facility/buses as well as on other school district property. Law enforcement agencies and/or school personnel, or their designee, may view recorded/live activities. Illegal activities or school violations, captured by the surveillance system, will be addressed by the appropriate agencies. Cameras are not installed in classrooms, restrooms or locker rooms; however, they are installed in the staff lounge, library, gym and computer labs. Audio and video surveillance is also installed on school buses and in school offices. Please understand you may be recorded while on Ocosta School District property.

Closed campus

Ocosta School District policy designates our campus a “closed campus.” Students shall remain on school grounds from time of arrival until close of school, including lunch break, unless officially excused.

Child find

Child Find is an educational screening of a child residing in the state, including:
children with disabilities who are homeless;
children who are wards of the State;
children attending private schools, regardless of the severity of their disability; and
children who are suspected of having a disability, or in need of special education and related services.
Disabilities or delays could be in the areas of speech, motor, academic or social skills. If you suspect your child of having delays and would like to participate in this screening, please call (360) 268-9125, ext. 1006, to set up an appointment.
Is your child current on vaccinations?
Washington State law requires all children to have immunization records for certain vaccine-preventable diseases in order to attend school. Skipping vaccinations or missing vaccine doses makes it more likely that your child can get sick or give an illness to another child. Therefore, we strongly encourage children to see their health care provider annually during the summer for a “Well Child Visit”. At that time, be sure to ask if your child needs any immunizations before school starts in the fall. When they give immunizations to your child, always ask for a print-out of the CIS (Certificate of Immunization Status) form, sign it, and return it to the school.

According to state law (WAC 246-105-020), students must have completed the required immunizations within 30 days of the start of school. **Students start school at Ocosta on September 4, 2019, so please make sure your child has the required immunization vaccinations completed on or before October 16, 2019. Children not fully immunized by that date must, by state law, be excluded from attending school, preschool or child care until he or she meets the legal requirements of the law.**

Please review the immunization timeline charts posted on the district website at: www.ocosta.org.

A child may be exempt from the immunization requirements for medical, personal/philosophical, or religious reasons if they have a Certificate of Exemption (COE) on file that is signed and dated by the parent/guardian and a licensed healthcare provider. The form can be found at the following Department of Health Immunization Website:

In Washington, all children 18-years old or younger may get vaccines at low or no cost from their health care provider or county health department. Providers may charge an office visit fee and an administration fee to give the vaccine. If you cannot pay the administration fee, ask your provider to waive the cost.

Parents can now print their own child’s Certificate of Immunization Status (CIS) through a new web portal called MyIR (My Immunization Record). This secure online system pulls data from the WA Immunization Information System (IIS). Health care providers in Washington State enter your child’s immunizations into this system when they give your child a vaccination. Parents just need to print, sign, and submit the CIS form to the school or preschool/child care. Go to this website for more information about this new system: https://wa.myir.net/

Please call (360) 268-9125; ext. 2010, 2002, or 3002 for help or more information.

Orientation night - 7th grade class
An orientation night will be held for students entering the 7th grade and their parents on September 4th from 6-7 pm in the high school commons.

School lunch and dinner program
The Ocosta School District will again be participating in the Community Eligibility Provision program for 2019-2020. The program allows schools who meet eligibility requirements to offer free meals to all students. This will ensure that all students will have access to the healthy food they need to be successful in school.

This program will benefit the district in a variety of ways. All children will receive a nutritious breakfast, lunch and dinner at no charge and the district will be eligible for federal funds from a variety of grants. The district uses these grants to provide learning programs for your student.

**Every family** is asked to complete and return a simple Family Income Survey. The Family Income Survey will be distributed with registration packets at the beginning of the school year and again at conference times for those who might not have received one.

**Income surveys must be returned to your child’s building by the end of September. Participation levels determine the district’s continuing eligibility for federal funds.**

Dinner is served …
The district will be providing dinner to any child under the age of 18 at the end of the After School Program Monday-Thursday. Any child may come to the elementary to receive a meal whether they attend the After School Program or not. Dinner is served at 4:45 pm before the evening bus run.

Kindergarten & preschool registration
Parents may register their children for preschool or kindergarten anytime between 8-3:00 pm after August 29th. If registration hours are not compatible with your schedule, you may request paperwork by calling 268-9125, ext. 2002, and it will be sent to you. Preschool children must be age 4 by August 31 and kindergarten students age 5 by August 31. In addition, preschool students must be ECEAP qualified. Birth certificates and immunization records are required by the first day of school, but are not necessary at the time you register.

If you have any questions, please call our elementary office at 268-9125, ext. 2002.

School supplies
Student supplies for students in K-6 will be provided by the district. Students may provide their own backpack or request one, if needed.
Students at the secondary level should bring basic supplies for their first day. Teachers will provide a list of required supplies if any are needed.

**Building offices reopen on August 22nd**

The high school and elementary offices will re-open August 22nd for business. Parents can register their students, purchase ASB cards, yearbooks, and parking permits at that time. Schedules will be available in September.

**Weapons free campus**

It is a violation of district policy and state law for any person to carry a firearm or dangerous weapon on school premises, school-provided transportation or areas of other facilities being used exclusively for school activities.

The superintendent is directed to see that all school facilities post “Gun-Free Zone” signs, and that all violations of this policy and RCW 9.41.280 are reported annually to the superintendent of Public Instruction.

**FEDERAL NOTICES - SPANISH**

**Notificación anual al público**

Esta página contiene los avisos obligatorios que debemos publicar todos los años. Por favor tómese el tiempo para leerlos y llame a su escuela al 268-9125 si tiene alguna pregunta.

**Notificación de asbestos**

Como parte del Acto de la Respuesta de Emergencia del Peligro de Asbestos (AHERA) el registro federal del EPA estipula debajo de 40 CFR, parte 773.84, que los distritos escolares se aseguren que los trabajadores y ocupantes del edificio, o sus guardianes legales, sean informados cada año sobre la existencia del Plan del distrito de Gestión del Asbesto que incluye inspecciones, medidas de respuesta y actividades de post-respuesta, incluyendo la re-inspección periódica y actividades regulares de la vigilancia. Una copia del Plan de Gestión del Asbesto está disponible para su inspección en nuestras oficinas administrativas durante horas de oficina regulares o por cita. La intención del distrito escolar de Ocosta es cumplir con regulaciones federales, estatales y locales en el ambiente en el cual se aprende y trabaja.

**Inspecciones caninas**

Según la política 3250 de la junta, los estudiantes deben saber que sus personas y bienes personales que no están guardados en los casilleros (por ejemplo, carteras, mochilas, vehículos, etc.) pueden ser objeto de búsqueda cuando las autoridades escolares tienen razones para creer que armas, drogas, alcohol, o cualquier otro artículo / material que evidencie una violación de la política / regla de la escuela o otras leyes o reglamentaciones contenidas en el mismo.

Nuestro distrito tiene un contrato con Northwest Interquest Detection Canines para realizar inspecciones periódicas en nuestro campus. Estas inspecciones serán llevadas a cabo por un manejador canino certificado nacionalmente.

Estas unidades están especialmente capacitadas para encontrar artículos de contrabando que incluyen drogas ilegales, artículos relacionados con la póliza, alcohol, medicamentos de venta libre y recetados.

Los casilleros de los estudiantes, aulas, vestuarios, instalaciones deportivas, áreas comunes, vehículos, escritorios, mochilas y otros artículos que están en el campus están sujetos a inspección. Todas las inspecciones se realizarán dentro del alcance de la ley y con el conocimiento del estudiante.

Los vehículos estacionados en la propiedad escolar pueden estar sujetos a la búsqueda de artículos prohibidos según lo definido en la política de la escuela. El conductor del vehículo será considerado como la parte responsable si se encuentra contrabando.

**Opciones de queja: discriminación y acoso sexual**

Si cree que usted o su hijo han experimentado discriminación ilegal, acoso discriminatorio o acoso sexual en la escuela, tiene derecho a presentar una queja.

Antes de presentar una queja, puede discutir sus inquietudes con el director de su hijo o con el Coordinador de la Sección 504 del distrito escolar, el Oficial del Título IX o el Coordinador de Derechos Civiles, que se encuentra arriba. Esta es a menudo la forma más rápida de resolver sus inquietudes.

**Queja al distrito escolar**

**Paso 1:** escriba su queja
En la mayoría de los casos, las quejas se deben presentar dentro de un año a partir de la fecha del incidente o la conducta que es el tema de la queja. Una queja debe ser por escrito. Asegúrese de describir la conducta o incidente, explique por qué cree que se ha producido discriminación, acoso discriminatorio o acoso sexual, y describa qué acciones cree que el distrito debería tomar para resolver el problema. Envíe su queja por escrito por correo, fax, correo electrónico o entrega a mano al superintendente del distrito o al coordinador de cumplimiento de los derechos civiles.

**Paso 2:** el distrito escolar investiga tu queja

Una vez que el distrito reciba su queja por escrito, el coordinador le dará una copia del procedimiento de queja y se asegurará de que se lleve a cabo una investigación inmediata y exhaustiva. El superintendente o la persona designada le responderá por escrito dentro de los 30 días calendario, a menos que usted acepte un periodo de tiempo diferente. Si su queja involucra circunstancias excepcionales que exigen una investigación más prolongada, el distrito le notificará por escrito para explicar por qué el personal necesita una extensión de tiempo y la nueva fecha para su respuesta por escrito.

**Paso 3:** El distrito escolar responde a su queja

En su respuesta por escrito, el distrito incluirá un resumen de los resultados de la investigación, una determinación de si el distrito no cumplió con las leyes de derechos civiles, notificación de que puede apelar esta determinación y cualquier medida necesaria para llevar el distrito en el cumplimiento de las leyes de derechos civiles. Las medidas correctivas se aplicarán dentro de los 30 días calendario posteriores a esta respuesta por escrito, a menos que usted acepte un periodo de tiempo diferente.

**Apelación al distrito escolar**

Si no está de acuerdo con la decisión del distrito escolar, puede apelar ante la junta directiva del distrito escolar. Debe presentar un aviso de apelación por escrito a la secretaria de la junta escolar dentro de los 10 días calendario posteriores a la recepción de la respuesta del distrito escolar a su queja. La junta escolar programará una audiencia dentro de los 20 días calendario posteriores a la recepción de su apelación, a menos que acepte un cronograma diferente. La junta escolar le enviará una decisión por escrito dentro de los 30 días calendario después de que el distrito recibió su aviso de apelación. La decisión de la junta escolar incluirá información sobre cómo presentar una queja ante la Oficina del Superintendente de Instrucción Pública (OSPI).

**Queja a OSPI**

Si no está de acuerdo con la decisión de apelación del distrito escolar, la ley estatal ofrece la opción de presentar una queja formal ante la Oficina del Superintendente de Instrucción Pública (OSPI). Este es un proceso de reclamo separado que puede tener lugar si se produce una de estas dos condiciones: (1) usted ha completado el proceso de queja y apelación del distrito, o (2) el distrito no ha seguido correctamente el proceso de queja y apelación.

Tiene 20 días calendario para presentar una queja ante OSPI desde el día en que recibió la decisión sobre su apelación. Puede enviar su queja por escrito a la Oficina de Equidad y Derechos Civiles en OSPI: Correo electrónico: Equity@k12.wa.us • Fax: 360-664-2967

Entrega por correo o por mano: PO Box 47200, 600 Washington ST SE, Olympia, WA 98504-7200

**Niño encuentra**

Child Find es un examen educativo de un niño que reside en el estado, que incluye:

- niños con discapacidades que no tienen hogar;
- niños que son pupilos del estado;
- niños que asisten a escuelas privadas, independientemente de la gravedad de su discapacidad; y
- niños que se sospecha que tienen una discapacidad o que necesitan educación especial y servicios relacionados.
Las discapacidades o retrasos pueden ser en las áreas del habla, el motor, las habilidades académicas o sociales. Si sospecha que su hijo tiene retrasos y desea participar en esta proyección, llame al (360) 268-9125, ext. 1006, para programar una cita.

¿Su hijo está al día con las vacunas?
La ley del estado de Washington requiere que todos los niños tengan registros de inmunización para ciertas enfermedades prevenibles con vacunas para asistir a la escuela. Saltarse las vacunas o las dosis faltantes de vacuna aumenta la probabilidad de que su hijo se enferme o le dé una enfermedad a otro niño. Por lo tanto, recomendamos encarecidamente a los niños que visiten a su proveedor de atención médica anualmente durante el verano para una “Visita de niño sano”. En ese momento, asegúrese de preguntar si su hijo necesita alguna vacuna antes de que comiencen las clases en el otoño. Cuando den inmunizaciones a su hijo, siempre solicite una copia impresa del formulario CIS (Certificado de estado de inmunización), firmelo y devuélvalo a la escuela.

De acuerdo con la ley estatal (WAC 246-105-020), los estudiantes deben haber completado las inmunizaciones requeridas dentro de los 30 días posteriores al comienzo de la escuela. Los estudiantes comienzan la escuela en Ocosta el 4 de septiembre de 2019, así que asegúrese de que su hijo tenga las vacunaciones de inmunización requeridas en o antes del 16 de octubre de 2019. Los niños que no estén completamente vacunados antes de esa fecha deben, por ley estatal, ser excluidos de la escuela, preescolar o cuidado de niños hasta que él o ella cumpla con los requisitos legales de la ley. Por favor revise los cuadros de tiempo de vacunación publicados en el sitio web del distrito en: www.ocosta.org.

Un niño puede estar exento de los requisitos de vacunación por razones médicas, personales / filosóficas o religiosas si tiene un Certificado de Exención (COE) en un archivo firmado y fechado por el padre / tutor y un proveedor de atención médica con licencia. El formulario se puede encontrar en: http://www.doh.wa.gov/YouandYourFamily/Immunization/FormsandPublications/Forms.

En Washington, todos los niños de 18 años o menores pueden recibir vacunas a bajo costo o sin costo de su proveedor de atención médica o departamento de salud del condado. Los proveedores pueden cobrar una tarifa de visita al consultorio y una tarifa de administración para administrar la vacuna. Si no puede pagar la tarifa administrativa, solicite a su proveedor que no aplique el costo.

Ahora los padres pueden imprimir el Certificado de estado de inmunización (CIS) de sus propios hijos a través de un nuevo portal web llamado MyIR (My Immunization Record). Este sistema en línea seguro extrae datos del Sistema de Información de Inmunización de WA (IIS). Los proveedores de atención médica en el estado de Washington ingresan las vacunas de su hijo en este sistema cuando le dan una vacuna a su hijo. Los padres solo necesitan imprimir, firmar y enviar el formulario CIS a la escuela o al preescolar / guardería. Vaya a este sitio web para obtener más información sobre este nuevo sistema: https://wa.myir.net/

Por favor llame al (360) 268-9125; ext. 2010, 2002 o 3002 para obtener ayuda o más información.

Noche de orientación - clase de 7 grado
Se llevará a cabo una noche de orientación para los estudiantes que ingresan al 7 grado y sus padres el 4 de septiembre de 6 a 7 p. M. En los terrenos comunes de la escuela secundaria.

Programa de almuerzo y cena escolar
El Distrito Escolar de Ocosta nuevamente estará participando en el programa de Provisión de Elegibilidad Comunitaria para 2019-2020. El programa permite a las escuelas que cumplen con los requisitos de elegibilidad ofrecer comidas gratuitas a todos los estudiantes. Esto asegurará que todos los estudiantes tengan acceso a la comida saludable que necesitan para tener éxito en la escuela.

Este programa beneficiará al distrito de varias maneras. Todos los niños recibirán un desayuno nutritivo, almuerzo y cena sin costo y el distrito será elegible para recibir fondos federales de una variedad de subvenciones. El distrito usa estas subvenciones para proporcionar programas de aprendizaje para su estudiante.

A cada familia se le pide completar y devolver una simple Encuesta de Ingresos Familiares. La encuesta de ingresos familiares se distribuirá con los paquetes de inscripción al comienzo del año escolar y nuevamente en las horas de conferencia para aquellos que quizás no la hayan recibido. Las encuestas de ingresos deben devolverse al edificio de su hijo antes de finales de septiembre. Los niveles de participación determinan la elegibilidad continua del distrito para los fondos federales.

La cena está servida…
El distrito ofrecerá la cena a cualquier niño menor de 18 años al finalizar el Programa Después de la Escuela de lunes a jueves. Cualquier niño puede venir a la escuela primaria para recibir una comida, ya sea que asista al Programa Después de la Escuela o no. La cena se sirve a las 4:45 p. M. Antes del recorrido del autobús nocturno.

Kindergarten y registro preescolar
Los padres pueden registrar a sus hijos para preescolar o jardín de niños en cualquier momento entre las 8:00 a.m. y 3:00 p.m. después del 29 de agosto. Si las horas de registro no son compatibles con su horario, puede solicitar documentación llamando al 268-9125, ext. 2002, y será enviado a usted. Los niños en edad preescolar deben tener 4 años de edad antes del 31 de agosto y los estudiantes de kínder de 5 años antes del 31 de agosto. Además, los estudiantes de preescolar deben ser elegibles para ECEAP. Los certificados de nacimiento y los registros de vacunas se requieren antes del primer día de clases, pero no son necesarios en el momento de la inscripción.

Si tiene alguna pregunta, llame a nuestra oficina primaria al 268-9125, ext. 2002.

Suministros escolares
El distrito proporcionará materiales para los estudiantes en K-6. Los estudiantes pueden proporcionar su propia mochila o solicitar una, si es necesario. Los estudiantes en el nivel secundario deben traer suministros básicos para su primer día. Los maestros proporcionarán una lista de los suministros necesarios, si corresponde.
Las oficinas del edificio vuelven a abrir el 22 de agosto
Las oficinas de escuelas secundarias y primarias volverán a abrir sus puertas el 22 de agosto por negocios. Los padres pueden registrar a sus estudiantes, comprar tarjetas ASB, anuarios y permisos de estacionamiento en ese momento. Los horarios estarán disponibles en septiembre.

Campus libre de armas
Es una violación de la política del distrito y la ley estatal que una persona porte un arma de fuego o arma peligrosa en las instalaciones de la escuela, el transporte proporcionado por la escuela o áreas de otras instalaciones que se usan exclusivamente para actividades escolares. Al superintendente se le ordena que todas las instalaciones escolares publiquen letreros de "zona libre de armas" y que todas las violaciones de esta política y RCW 9.41.280 se informen anualmente al superintendente de Instrucción Pública.
