

Families,

In perfect timing with teacher appreciation week, each year Lebanon Public Schools selects three teachers to represent their buildings for Teacher of the Year. Due to Covid-19, the nomination process will be electronically and we will allow parents/guardians to be a part of the nomination process along with the faculty and staff. If you wish, please consider nominating a teacher and write a brief paragraph about why you feel they should be considered for Teacher of the Year. Use the link below to complete the nomination form:
