**Public Participation:** Due to the change in the School Board meeting format, the School Board is asking the members of the public who would like to participate the evening of the meeting to call +1 956-704-1236 PIN# 429128132. If you are unable to call-in or your call is not received on other topics not related to the agenda, please send your comments, concerns and/or questions to members of the School Board and the Superintendent. The School Board is just beginning to deliberate on the proposed budget, therefore you can send input via email to the School Board Chair, who will share the emails with all members and the Superintendent. You may also send to all members, if you choose. This is the first attempt at this new format. The school department will adjust the plan following feedback after the meeting, if necessary. Here are the School Board members' emails:
