

You have submitted your Pre-Registration for EI Reno Public Schools, now what????

If your registration is **approved**, you will receive an email telling you the next steps, including creating your PowerSchool Parent Portal account, as well as filling out our enrollment forms.

If you receive an email saying your registration is **rejected**, it could be for one of the following reasons:

1. The student is 8th grade or younger and the address is not within the EI Reno Public Schools district. Mostly likely you reside in the Banner, Darlington, Maple or Riverside school district.
2. If you registered for PK, we may be full but you can be added to a waiting list
3. Your child might be underage for the grade enrolled (PK3, PK4 or K)

You will be notified of the specific reason.

****Due to COVID-19 and limited staff, the response to your registration may take a few days. Your patience is appreciated.**
