LES Reading Hall of Fame

All students in grades 2-4 are invited to READ!

This year, you can become part of the LES Reading Hall of Fame by reading books from different genres. If you are not sure what the genre is, ask for help from your teacher, Ms. Frazier, or Ms. Skiles!

Every time you finish a book, record the title on the correct page in this booklet and rate it from 1-5 stars.

You can keep track of your progress from bronze to silver to gold on the next page.

The booklets will be collected in June and medals will be given out at an assembly.
