

Dear Jones Public School Families,

We appreciate the patience of everyone, especially the Senior Class of 2020. This situation has been changing rapidly and in many cases everything is beyond our control. In making this decision, our foremost concern is doing what is best for students and protecting the health of our community.

We are eager to celebrate the accomplishments of our seniors and have scheduled graduation ceremony for **Friday, June 19 at 7:30**. We will hold graduation at the Tim Wallace Memorial football field at Jones high school.

Graduation will only take place if the event is safe to do so. This Ceremony will be subject to the health conditions, and state and local gathering directives prior to and at the time of graduation. There are currently no plans for restrictions, such as limits on the number of attendees, however, we will continue to monitor the course of COVID-19, and national and local health and safety guidelines, and are prepared to make adjustments to graduation if necessary.

If social distancing restrictions are lifted prior to June 19, there will be a full ceremony. In the event that social distancing restrictions remain in place, the ceremony will have restricted attendance where each senior will be issued four guest tickets and the ceremony will be reduced in order to limit the number of people in the stadium.

Sincerely,

Mike Watkins

Jones High School Principal
