

Dear parent or guardian,

We hope that your family is staying healthy and safe during this time. We miss our speech kiddos SO much! We can't wait until we can see their smiling faces each day at school again.

We have created a Speech Activities Google Classroom!! We will continue sending out our packet work every two weeks, but we also wanted to offer a digital option to our kids as well. We will be updating the material listed in the Google Classroom sporadically, so be sure to check in each week to see what new activities have been added. You do not need to do all of these activities with your child, they are just available as an additional resource.

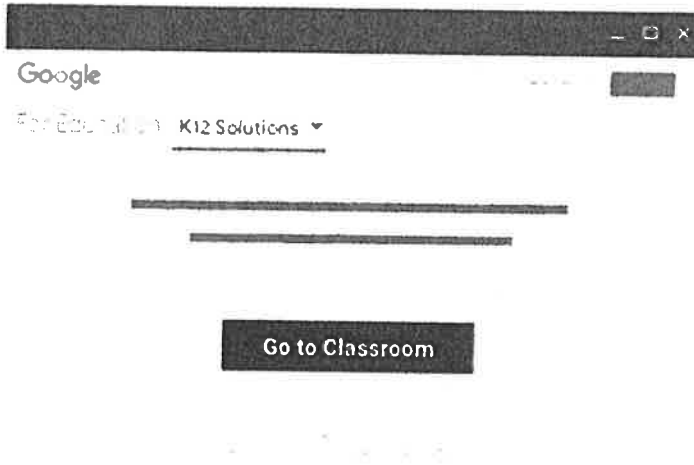

You will need an internet connection and a gmail email account to access the Google Classroom. If you are not able to access this information online, it is OK! We know that not everyone will be able to use the Speech Activities Google Classroom, so that is why we are continuing to send speech packets.

Attached you will find the directions on how to find our Google Classroom.

Our class code is: 6pgyz2t

Sign in for the first time

1. Go to classroom.google.com and click Go to Classroom.

2. Enter your username and click Next.

3. Enter your password and click Next.
