

HELLO CLASS OF 2023.....

I am going to try something new for appointments for scheduling for this upcoming school year. Please take note of the 3 attachments and the link to the SIGN UP website listed in the email message (It is in blue). I have tried to attach everything I can think of to help you have a smooth scheduling experience.

1. **Signup.com Link (in the email not an attachment)** Select a time for our scheduling meeting. If this is too confusing for you, you can email me or call me to schedule an appointment (listed below), but this seems to get you an appointment more efficiently. There is no registration necessary to use signup.com, only your email and phone number. **THIS IS ONLY TO GET A MEETING TIME....**
2. **The flowchart attachment** - Please take some time **with your parents/guardians** and decide with career pathway best fits your goal.
3. **Scheduling Sheet/Course Guide attachments-** Select classes on your scheduling sheet to follow the career path you have chosen. (Use the course guide to help you understand the classes)
4. **Scheduling Sheet/Course Guide attachments** - Select electives to fill the empty spots on your schedule to fulfill the school year (9 periods for the day). Again, use the course guide to help decide what works. Make note of those classes that require prerequisites.
5. **Send me an email (lfletcher@clearfield.org)** with a picture of your completed scheduling sheet or a list of the courses/course numbers you would like to possibly schedule. I would like to have these prior to our scheduling meeting.

I would like to review what everyone chooses before I meet with you so that I have a chance to see if we need to adjust things in your schedule. If you have any questions, please do not hesitate to email me (lfletcher@clearfield.org) or call me at the school. I get voicemails through my email so I can call you back if you leave me a message. My number at the school is 765-5511 ext. 2530.

Your scheduling block of time is May 18-22 and May 25-27. Remember, this is a first come first serve on choice of appointments. Nothing will be solid as a schedule until after we schedule together. I miss all of you...I hope you are staying healthy and making an effort for your 4th quarter classes. Getting 100% by making an effort is a pretty sweet deal 😊

Take care....

Mrs. Fletcher
