

# Ways to Give

Gifts made today of any size are accepted and qualify as a charitable deduction from income taxes. Gifts can be made with cash, appreciated stock, or other property for further potential tax benefit. Below are a few easy ways to give:

## CASH

Cash is the simplest way to donate. It's simple, easy, quick, and a tax benefit.

## LIFE INSURANCE

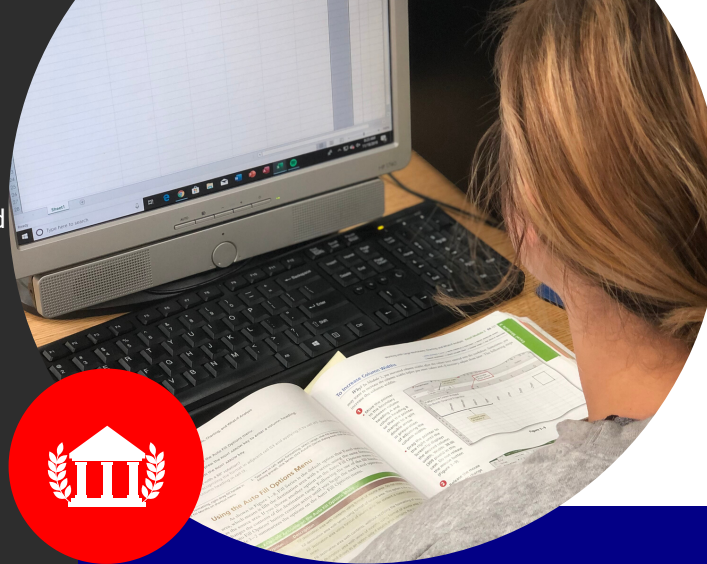

The Clyde Area Foundation becomes the owner and beneficiary. Giving the gift of Life Insurance provides an immediate tax deduction if there is a cash value. It also allows a larger gift with a smaller cost, and ongoing premiums payments are tax deductible.

## INDIVIDUAL RETIREMENT ACCOUNTS (IRA'S)

It's easy to use your IRA for tax-saving charitable gifts. If you're 70½ or older, you can transfer any amount up to \$100,000 annually directly from an IRA to the Clyde Area Foundation without incurring Federal tax.

## PROPERTY AND/OR FARMLAND

Gifts of real estate may save thousands of dollars in income, estate, and capital gains taxes, while providing a substantial benefit to our youth and/or the community. The Clyde Area Foundation may accept gifts of residential, commercial or undeveloped real estate that is not subject to a mortgage.

# Background

The Clyde Area Foundation was established in 1992 and supports many worthwhile activities in Clyde and the surrounding area. Individual gifts to the foundation make larger dreams possible. The Clyde Area Foundation is a 501c(3) Not-for-Profit organization.

The Scholarship Fund was established in 2019 to provide additional scholarship opportunities to our area youth, turning dreams of higher education into a reality.

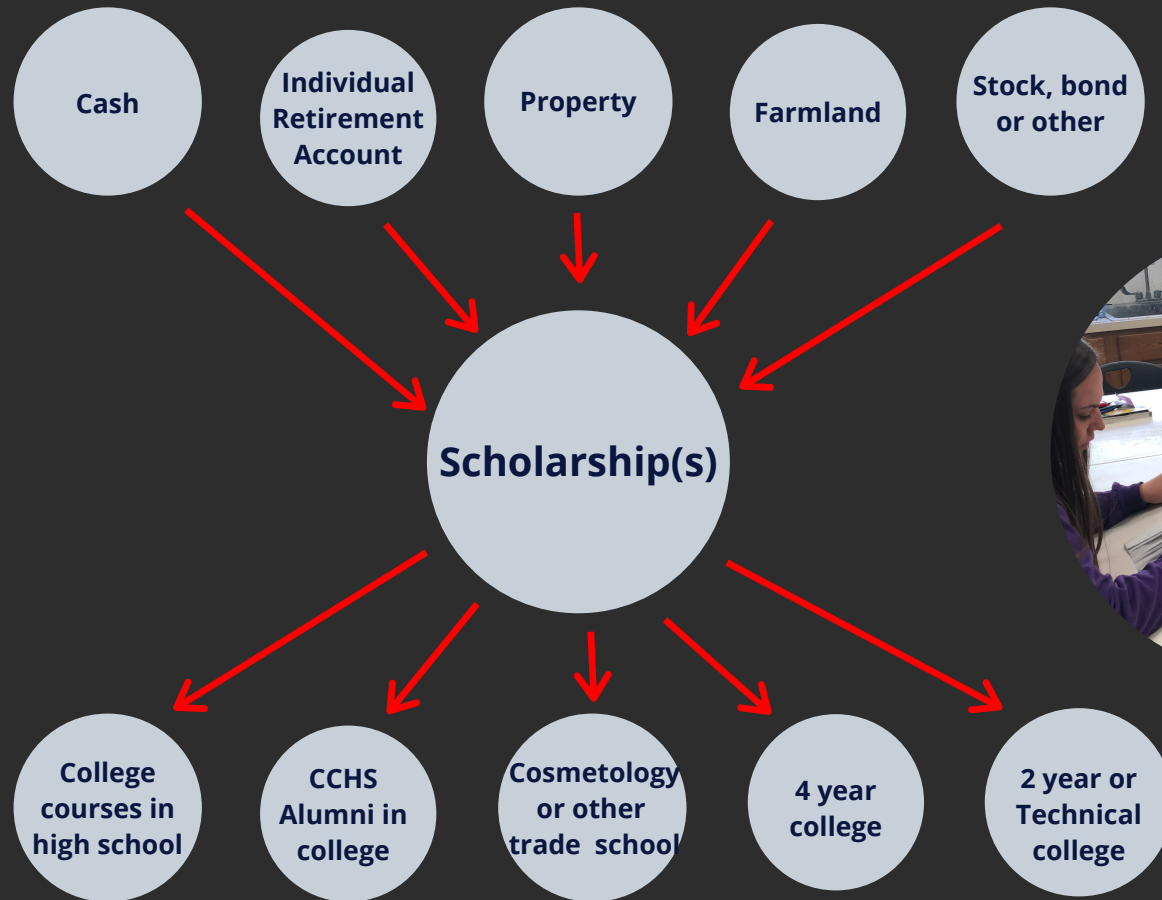

By establishing a fund with the Clyde Area Foundation or by contributing to an existing fund, you will have a direct impact in meeting the needs of our youth and community today. You can give the gift of forever.

# Endowing Scholarships

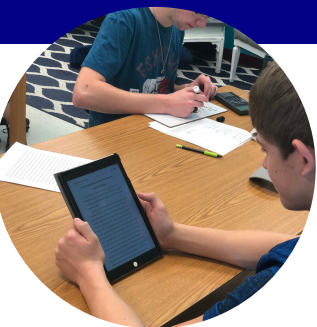

You may establish your gift by speaking with your attorney, financial advisor, banker, or insurance agent. We will work with you to set up a fund which reflects your charitable priorities.

A gift of \$25,000 or more would designate a named annual scholarship to honor your family or someone important to you.

*There's nothing more meaningful than remembering your youth and community while planning your financial legacy.*

# Why Give

Give students a chance at a brighter future. When students receive scholarships allowing them to go to the school of their choice, this results in significantly higher graduation rates. Your contribution will help students graduate with less debt to better focus on their education. You will help our local students attend higher education and become our community leaders of tomorrow.
