Spur ISD 2020 Graduation Plan

Spur ISD is wanting to produce a graduation ceremony that will be as true to tradition as possible for our class of 2020 graduates. We do understand that we will not be able to do everything like in the past due to the Covid-19 issue we are having currently. Below I am going to outline our main plans.

Plan A- Jones Stadium 7:30pm May 22, 2020

- We will graduate students at Jones Stadium.
- Students will park at the parking lot by the Concession stand and bussed down to the fieldhouse.
- Students will be distanced using both locker rooms. Boys will be on the boy's side and girls on the girl's side.
- Students will leave the fieldhouse and proceed to the lower level of the bleachers for the graduation ceremony.
- Immediate family will be allowed to come into Jones Stadium through the ticket entrance at the concession stand. Only people with tickets will be allowed into the stadium bleacher area. All documentation must be received before entry will be allowed.
- Definition of Immediate family members: Parents, guardians, grandparents, siblings. Adult siblings will be allowed to sit with the family, but it is only the sibling. Siblings wives or children will not be allowed to sit with the immediate family in the bleachers but can sit in the family group on the football field.
- Immediate Family will be seated in chairs provided by the district in the bleachers. Chairs will be disinfected after they are set up to receive immediate family members.
- Tracking Forms of all immediate family members must have been turned in prior to May 22, 2020. These forms will have a statement releasing Spur ISD staff, Trustees, and Spur ISD from any liability due to Covid-19 and its possible spread.
- If students have immediate family members that are handicapped or may have problems with the bleachers, we will do our best to provide and block off space on the top of the bleachers. No one will be allowed into the seating area without a ticket.
- Students must wear flat bottom shoes (No High Heels) due to going up and down bleacher stairs.

- Everyone else who would like to attend may park in Swenson Park and stay in their vehicles or bring chairs, blankets, ect. and sit anywhere on the football field if they are social distancing. Family groups are expected to sit together. Children will not be allowed to run around on the field.
- The ceremony will be broadcast through the Sports Radio Icon on the Spur ISD App. and will be available for watching through Spur ISD Facebook account.
- At the conclusion of the ceremony, graduates will leave through the bleachers at the top of the stands.
- Students will throw their hats at the top of the bleachers before Immediate family members are allowed to exit.

Plan B- Jones Stadium 10:00am May 23,2020.

- If the graduation ceremonies are cancelled due to weather, we will try again on Saturday at 10:00am.

Plan C- Jones Stadium.

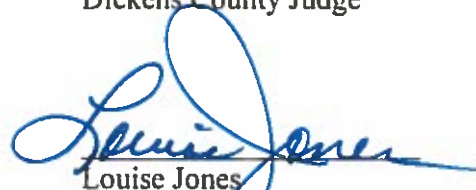

- If the ceremony cannot be completed due to the amount of Covid-19 cases in our county, graduation will be held on May 29 2020 7:30pm.

In all plans, attendees will honor our procedures for social distancing, or they will be asked to leave Spur ISD property immediately.
