Dear Kelso Parents/Guardians and Students:

Welcome to the 2020-2021 school year. In Kelso, we believe it is extremely important to provide a safe and productive learning environment for all of our students and to ensure that students are at school on time, all day, and every day that they are healthy enough to attend!

The Kelso School District updates and publishes a Student Rights and Responsibilities Handbook to explain student rights, responsibilities, and the importance of regular attendance. You are your student's first teacher, and we enlist your support in reviewing this handbook with your student.

You can find a copy of this handbook on the Kelso School District Webpage or a printed copy can be provided to you at your student's school office.

<http://www.kelso.wednet.edu/>

Please return this form signed to your schools teacher/office. Your signature verifies that you and your student are aware of the Student Rights and Responsibilities Handbook and its contents.
