Principal

Frequently Asked Questions for the Class of 2020:

What else can our family do to honor our graduating senior?

We encourage families to create a celebration at home including photos together, and a time for meaningful conversation. This pandemic has allowed us to spend more quality time with our families. Parents and grandparents could use this opportunity to give a graduation speech of their own, sharing important family memories and taking time to express your love and pride in the accomplishments your child has made thus far, and ending with an affirmation of future goals and aspirations.

As long as families maintain proper social distancing, the school may be used as a backdrop for your photos before or after graduation day. Keep in mind, on graduation day, all participants **MUST STAY IN THEIR VEHICLES** on school grounds to maintain social distancing and respect the safety of others **AT ALL TIMES**.

How has the school honored the Class of 2020?

The pandemic has caused a disruption in our day to day routines. This has not diminished our desire to honor the Class of 2020 and the school, teachers, and coaches have all pitched in with many unique ideas including:

- Graduation signs in yards
- Senior photos on the MHS sign
- Social media posts from academics and athletics
- Senior Awards Night Program
- Senior Class Photos in the local newspaper

Will there be a required Graduation Practice?

No, however Mr. Langferman will be hosting a Google Hangout on Tuesday, May 19th for the senior class at 3 pm. ALL graduates are highly encouraged to attend this virtual meeting to ask any questions that they may have and hear an explanation of graduation procedures.

Can I still decorate my graduation cap?

Yes, but cap decorations should be flat and maintain a clean 1 inch border around the cap with no decorations.

When do I pick up my cap and gown? Do I return it?

This is explained in the letter above. Seniors will keep their caps and gowns.

When will the link to Graduation be available?

As stated in the letter above, the link will be available on Friday, June 5th and 2020 graduates will receive a DVD that may be picked up during summer office hours beginning on Monday, June 8th. .

How do I pick-up scholarship awards?

Scholarships may be picked up starting on Monday, May 18th during MHS office hours. Office hours are

- Monday-Thursday 9:00-3:00 and
- Friday 8:00-12:00.

We suggest picking up scholarships on May 26th when graduates pick up their cap and gown.

How do I know if I owe the school any outstanding debts?

We are in the process of compiling a list of outstanding debts for the Class of 2020. This may include book bills, lunch accounts and library fines. Families will be notified if they have any outstanding bills that need to be paid.

How do I get a copy of my Ivy Tech transcripts?

To transfer college credits received during high school, you MUST submit an official transcript from the college. High school transcripts do not count for college credits. This means you will be submitting two (or more) transcripts to your school of choice - your final high school transcript and an official transcript from Ivy Tech. Links and additional information for requesting college transcripts will be posted in Google Classroom.

*Note - Any student that took AP/DC Biology must request an additional transcript from Indiana University. This link is found on Google Classroom or by Googling "IU ACP Dual Credit Transcript."

Will my Milan HS transcript be sent on to college?

Students can log on to their parchment account at any time and request that final transcripts be sent to their post-secondary institution. After final grades have been collected and stored, our guidance department will complete the parchment request and send the final transcripts to the requested location.

When can I clean out my locker?

MHS staff members will clean out lockers and place all items into a labeled bag for graduates to pick up on May 26th along with their cap and gown.

When can I drop off school property such as textbooks, uniforms, library books, sheet music, etc.?

We ask that any items that belong to the school be returned prior to graduation day. These items can be returned when graduates pick up their scholarships and/or cap and gown. We suggest dropping these items off on May 26th when graduates pick up their cap and gown.

Will I get to keep my Chromebook?

Yes, seniors will keep their Chromebooks. The Chromebook will be removed from Milan's protection. You will need to log in using a new gmail account.

What happens to my school email account?

Seniors are encouraged to create a new gmail account for use after high school. Your Milan gmail account will be deactivated January 1, 2021. Please remember to update any important accounts when you may have used your school email as contact information.

What will happen with money left in my lunch account?

Seniors who have paid all required fees and still have funds left in their lunch account will receive a reimbursement.

What if I have a question that is not addressed here?

Please call the school office or email Mr. Langferman with questions. It is important to us that we answer all of your questions.
