MAY 21st - JES STAFF END OF YEAR PARADE THROUGH TOWN

- Our staff would like to take the opportunity to give their students a little summer "good-bye"/thanks for a great year wave on Thursday, May 21st between the hours of 5:00 p.m. to 6:30 p.m. During this time, teachers will remain in their cars and will parade through the streets of Julesburg waving to their students and families. We ask that all families remain on their doorstep and just give the staff members a wave back. We do not want to violate or risk any health regulations so please remain by your front door and do not gather in groups. For our families in the country, you are more than welcome to come to town and remain in your car...maybe near the grocery store??? We will drive down all of the east and west streets and then will continue down all of the north and south streets.

May 22nd - iPad/Hotspots/Library Book/Instrument Return-IMPORTANT...PLEASE READ

- Staff will be available during the hours of 4:00-6:00 p.m. on Friday, May 22nd for the return of iPads & cords, hotspots, library books and band instruments. We are asking that you please place your iPads, cords and hotspots (for those that checked these out) **IN BAGS (in the same manner they were distributed)** and pull up to the front of the school and remain in your car. We will take the school items and then will return your child's school supplies or any other items that belong to them. If you have not checked out any school items, this will also be the time to pick up your child's supplies from school. ***We want to make this as quick and efficient as possible in order to maintain all health regulations related to COVID-19.*** In the event there is bad weather, we will distribute from the north gym doors so we ask that you pull up near that area and remain in your car and we will come to you to make the exchange of items.
