## Rebecca Hutchinson named Superintendent of Concord Community Schools

Rebecca Hutchinson has been chosen to serve as the next superintendent for Concord Community Schools. Hutchinson was announced as the incoming superintendent following a unanimous vote of the Concord School Board on Monday, May 18.

Hutchinson began her career in Education as a 5th grade teacher in Reed City, MI back in 2001. In 2008, she was hired to teach Science at Concord Middle School where she served for 8 years prior to becoming the principal of Concord Elementary and Middle School in 2016. In addition to her teacher responsibilities, Mrs. Hutchinson also served as the middle school robotics coach.

“I feel blessed to have this opportunity to serve the Concord Community. I truly believe we are a Small School with Big Opportunities,” Hutchinson said. “I’m committed to working collaboratively and passionately with our staff, students, families, and community to provide our students with a first class education so our students can shatter expectations. We are #ONEHIVE.”

For the past four years, Hutchinson has successfully led Concord Elementary and Concord Middle School to higher student achievement success. During her four years as the principal, the percentage of students reaching mastery on M-STEP has continued to significantly increase each year. Board President Aaron Strouss states, “This is evidence of her strong instructional leadership and dedication to the achievement of our students.”

Hutchinson holds an Educational Specialist Degree and Central Officer certification from the University of Michigan-Flint. She also holds a Master's Degree and Bachelor's Degree from Grand Valley State University.

Hutchinson and her husband, Eric, have been married for 13 years and reside in Concord. They have two children: Maddox, who will be a 7th grader in the fall and Finn, who will be in 4th grade this fall.
