

Board of Education Vacancy Notice

Central School District 51 is seeking applicants to fill a vacancy on its Board of Education due to the resignation of Casey Pfeifer. Mrs. Pfeifer served on the Board for three years, and we appreciate her dedication and service to the District.

Interested parties should email a letter of interest and a resume to Dale Heidbreder at dheidbreder@central51.net. All materials must be received by May 31, 2020.

To be eligible to serve, a school board member must be a citizen of the United States, at least 18 years of age, a resident of the State of Illinois and Central School District 51 for at least one year, and must be a registered voter.

The person appointed by the Board of Education will serve until the next School Board Election in April of 2021. That seat will then be elected for a four-year term.
