

Pine River Area Schools

Important Food Service Information

**May 29 will be the last Pine River food distribution date
for the 2019-2020 school year.**

On May 29 we will provide 7 breakfasts and 7 lunches per meal bag and that will take us up to June 5, 2020, the official last day of school for the year. Pine River has been proud to serve and help as we battle this pandemic together as a family of Bucks. Information about the school calendar year, Open House, First Day of School for 2020 have been added to the school's website.

The Uplift food program will also end on May 29th.

This weekend backpack program typically runs through the school calendar only. Families will have the opportunity to enroll in the 2020-2021 program when school resumes.

If you are in need of food assistance there will be a mobile drive-through food pantry at the Covenant Presbyterian Church in Tustin, 108 Church St. It will take place on June 10th at 4:00 pm until food runs out and on July 9th at 4:00 pm. Follow the signs to the church parking lot. You don't even have to get out of your car. This is sponsored by Feeding America and the Covenant Presbyterian Church.

A list of potential community service/assistance providers in the area is included in this posting. This list may not be complete and/or available and is not affiliated with Pine River Area Schools.
