

Internet service providers and mobile carriers

During this public health crisis, local internet service providers are offering free Wi-Fi hotspots and low-cost internet solutions. As NLRSD moves more of our courses online during this health crisis, we want to provide students a resource to access free and low-cost internet options. Information on mobile carriers response to COVID-19 is also included on this page.

Free Wireless Locations

North Little Rock City Locations

OTHER RESOURCES:

Xfinity WiFi hotspots

Xfinity WiFi hotspots across the country will be available to anyone who needs them for free – including non-Xfinity internet subscribers. To find an Xfinity WiFi hotspot, check the hotspot location map at wifi.xfinity.com or download the Xfinity WiFi hotspots app from the [App Store](#) or [Google Play](#).

AT&T

AT&T hotspots are open to the public. To learn more about AT&T hotspots, visit the [AT&T hotspot website](#).

Home Internet service provider options

Internet Essentials by Comcast

[Internet Essentials by Comcast](#) is offering two months of free, high-speed internet to qualified individuals. After the two month free period, customers will be charged \$9.95/month (subject to change).

You may qualify if you:

- Are eligible for public assistance programs like SNAP, housing assistance, Medicaid, SNAP, SSI, the National School Lunch Programs, and others

- Live in an area where Comcast internet service is available
- Have not subscribed to Comcast internet within last 90 days (customers who are only Comcast cable or phone customers may be eligible)
- Have no outstanding debt to Comcast that is less than one year old.

Internet Essential customers can also purchase a [low-cost computer](#).

To learn more, visit the [Internet Essentials website](#) or [apply for Internet Essentials now](#).

Lifeline Support

[Lifeline](#) is a federal program that lowers the monthly cost of phone and internet. Eligible customers will get up to \$9.25 toward their bill. You can only use Lifeline for either phone or internet, but not both.

Mobile carriers

Most major mobile phone carriers have signed on to the Keep Americans Connected Pledge and will:

- Not terminate the service of any wireless, home phone or broadband residential or small business customer because of their inability to pay their bill due to disruptions caused by the coronavirus pandemic.
- Waive any late payment fees that any wireless, home phone or broadband residential or small business customer may incur because of economic hardship related to the coronavirus pandemic.

Please check with your cell phone provider for specifics.
